the purpose of this book is to provide theoretical analytical and practical knowledge for first responders face to face interaction with the client victim is part of the comprehensive approach advocated by this book which requires interveners to assess the nature of a crisis and the condition of the victim in order to determine the appropriate course of action effective communication skills along with adequate training and preparation for intervention are the keys to quality interaction between the intervener and the client victim each chapter in this book offers a substantially updated theoretical overview of a particular facet of intervention as well as models and methods for applying crisis theory to

crisis situations faced by interveners the comprehensive balance of theory and practice presented should enable the intervener in coupling the general knowledge of human psychology and emotional crisis with the specific and novel characteristics of various crisis situations this new third edition retains important information in a revised format while adding important and timely cognition written for pre service and in service criminal justice and social service crisis interveners it will also be of interest to emergency medical personnel clergy proba tion parole officers victim advocates psychological personnel and professionals from other criminal justice and social service areas

this reader features contributions from the best known names in criminology today commenting on modern theories of criminology and how the concept of justice is met or not met by our criminal justice system based on critical theories of criminology each author presents a compelling vision of illustrations of the theory and shows how the theoretical framework relates to the nature and structure of our criminal justice system

this is a provocative collection of timely reflections on the state of social democracy and its inextricable links to crime and justice authored by some of the world s leading thinkers from the uk us canada and australia the volume provides an understanding of socially sustainable societies

criminal justice in scotland makes a valuable and timely contribution to the growing field of comparative criminology pat carlen professor of criminology university of kent

the criminal justice system is a key social institution pertinent to the lives of citizens everywhere fundamentals of criminal justice a sociological view second edition provides a unique social context to explore and explain the nature impact and significance of the criminal justice system in everyday life this introductory text examines important sociological issues including class race and gender inequality social control and organizational structure and function

social justice criminal justice is a thought provoking examination of the u s legal system focusing on how criminal justice and social justice are related the book provides a solid foundation of key philosophical and theoretical issues and goes on to examine the function of the law as it relates to social justice issues the authors present and explain the foundational legal documents of the united states and critically examine how those same documents which espoused the rhetoric of equality for all contribute toward the perpetuation and maintenance of a system of exclusion for groups with minority status such as racial and ethnic minorities the poor women and the lgbt lesbian gay bisexual transgender community succinct but comprehensive this text offers a careful examination of possible relationships between social justice

theory and criminal justice practice and illuminates the role that the legal system has played in both preventing and assisting social change and power dynamics for each identified group important landmark court decisions are used to demonstrate the plight of the powerless and the quest for equal rights the book provides an important perspective and understanding of the relationships among criminal justice social justice and the law suitable for undergraduate and early graduate courses in social justice justice studies critical issues ethics and american government and law this text provides easily digestible content for those interested in thinking critically about the u s legal system

in recent decades research into the legitimacy of criminal justice has convincingly demonstrated the importance of procedural justice to citizens sense of trust and confidence in legal authorities and their resulting willingness to conform to the law and cooperate with the legal authorities reversing the age old question why do people break the law theories of procedural justice have provided insight into the factors that encourage people to abide by the law suggesting that experiences of procedural fairness are crucial to achieving compliance with the law and to enhancing the legitimacy of criminal justice while these studies are important in showing that legal authorities need to pay attention to the fairness judgements of the people involved in legal procedures the focus on showing the importance of procedural justice has had the ironic consequence of distracting researchers from studying the equally important question of what fairness means to the people involved in legal proceedings in one of the first studies on procedural justice to use a qualitative research design the author provides the reader with detailed and insightful descriptions of the elements that determine how victims and defendants assess the fairness of their contact with the police and the courts focusing on both the pre trial and the post trial phases this book will be of interest to academics and students engaged in the study of the psychology of law procedural justice and the legitimacy of criminal justice

because people s contact with the criminal justice system comes in different shapes and forms scholars are now broadening their analytical scope and examining the overall repercussions of criminal justice contact on families of offenders compared to western societies japan is known for its lower crime rates and more pronounced use of informal social control thus it offers a useful research site for examining how families in a low crime society experience criminal justice contact and how they function as an integral part of the nation s crime control mechanism this book considers the role of the family in the lives of offenders and the criminal justice system in japan looking particularly at gender and patriarchal power relations it reveals how cultural notions of femininity prompt the criminal justice system to rely on women as its proxy this book explores how families of offenders often step in to fill the voids left by criminal justice institutions and social services to provide offenders with all inclusive care the burden of supervising and rehabilitating offenders on top of the expectation to atone for the crimes also renders families ambivalent and ashamed whereas the state and criminal justice authorities tend to see offenders families as a crucial resource for prisoner reentry this book highlights the necessity for addressing families needs before automatically assuming their support it also pushes the boundaries of feminist criminology by showing how women can be affected by male criminality and male

dominated criminal justice institutions other than as victims and offenders an accessible and compelling read this book will appeal to students and scholars of criminology sociology gender studies japanese culture and all those interested in learning more about the criminal justice system in japan

this book builds on heffernan s last book rights and wrongs rethinking the foundations of criminal justice by examining the class and racial disparities at the heart of current law disparities that according to many generate a system of criminal injustice it argues that these disparities run throughout the legal system they re present in policing corrections and sentencing it discusses the relationship between the two kinds of justice social justice and criminal justice and how to ensure fairness in state imposed punishment it theorises the extent to which criminal law must address considerations of social justice to ensure a fair system it proposes a framework for analyzing disparities provides an overview of contemporary research concerning them and offers reform proposals for addressing them written in an accessible way it introduces readers to philosophical theory and doctrines in constitutional law and thus it speaks to a wide audience concerned about racial and class disparities in the criminal justice system it responds to a half century s worth of public concern about the legitimacy of the state s exercise of its penal power while explaining the pertinence of social justice principles to the criminal justice system

the economically deprived come into contact with the criminal court system in disproportionate number this collection of original interactive essays written from a variety of ideological perspectives explores some of the more troubling questions and ethical dilemmas inherent in this situation the contributors including well known legal and political philosophers philip pettit george fletcher and jeremy waldron examine issues such as heightened vulnerability indigent representation and rotten social background defenses

the prison has often been the focus for concerns about human rights violations and campaigns aimed at achieving social justice for those with an interest in the criminalisation of women to reduce the number of women imprisoned a range of policy initiatives have been developed to increase the use of community based responses to women in conflict with the law these initiatives have tended to operate alongside reforms to the prison estate and are often defined as community punishment community sanctions and alternatives to imprisonment this book challenges the contention that improved regimes and provisions within the criminal justice system are capable of addressing human rights concerns and the needs of the criminalised woman this book aims to provide a critical analysis of approaches and experiences of penal sanctions human rights and social justice as enacted in different jurisdictions within and beyond the uk drawing on international knowledge and expertise the contributors to this book challenge the efficacy of gender responsive interventions by examining issues affecting women in the criminal justice system such as mental health age and ethnicity crucially the book will engage with the paradox of implementing rights within a largely punishment orientated system this book will be of interest to those taking undergraduate and

post graduate courses that examine punishment gender and justice and which lend themselves to an international comparative aspect such as criminal justice criminology international criminal justice courses sociology as well as professional training for practitioners criminal justice social work health who work with women in the criminal justice system

examines the recent developments in penal policy and asks whether they will make for more justice drawing on international evidence the author asks whether making the punishment fit the crime can lessen the excessive penalization of the poor the mentally disordered and racial minorities

sentencing policy and social justice argues that the promotion of social justice should become a key objective of sentencing policy advancing the argument that the legitimacy of sentencing ultimately depends upon the strength of the relationship between social morality and penal ideology it sheds light on how shared moral values can influence sentencing policy at a time when relationships of community appear increasingly fragmented arguing that sentencing will be better placed to make a positive contribution to social justice if it becomes more sensitive to the commonly accepted moral boundaries that underpin adherence to the rule of law the need to reflect public opinion in sentencing has received significant attention more recently with renewed interest in jury sentencing stakeholder sentencing and the involvement of community views when regulating policy the author however advocates a different approach combining a new theoretical focus with practical suggestions for reform and arguing that the contribution sentencing can make to social justice necessitates a fundamental change in the way shared values about the advantages of punishment are reflected in penal ideology and sentencing policy using examples from international comparative and domestic contexts to advance the moral and ethical case for challenging the existing theories of sentencing the book develops the author s previous theoretical ideas and outlines how these changes could be given practical shape within the context of sentencing in england and wales it assesses the consequences for penal governance due to increased state regulation of discretionary sentencing power and examines the prospects for achieving the kind of moral transformation regarded as necessary to reverse such a move to illustrate these issues each chapter focuses on a particularly problematic area for contemporary sentencing policy namely the sentencing of women the sentencing of irregular migrants sentencing for offences of serious public disorder and sentencing for financial crime

see sample chapters resources to download the introduction to criminal and social justice dee cook s new book is important innovative and invigorating it brings together two spheres criminal justice and social justice which are usually but as she persuades us unjustifiably kept separate intellectually and in policy and practice dee cook makes a powerful case for the inter connectedness of penal policy and social policy bringing together concepts from the two spheres such as social exclusion citizenship and human rights her innovative approach brings

insightful theoretical analysis together with two extended case studies differential treatment of tax fraud and benefit fraud and the third way politics of new labour this book will make it much more difficult for students policy makers and criminal justice practitioners to ignore the social context in which penal policy evolves and is implemented professor barbara hudson university of central lancashire this is an accessible and lively critical account of the inter relationship between social and criminal justice in new labour britain it should engage students on a range of programmes particularly social policy criminology and sociology ruth lyster professor of social policy loughborough university a cogent demonstration that criminal justice cannot be achieved in the absence of social justice there is a blistering but thoroughly informed critique of new labour s failure to narrow this justice gap let s hope the carefully reasoned but impassioned arguments about how to get really tough on the causes of crime and injustice get the attention they deserve robert reiner professor of criminology london school of economics and political science criminal and social justice provides an important insight into the relationship between social inequality crime and criminalisation in this accessible and innovative account dee cook examines the nature of the relationship between criminal and social justice both in theory and in practice current social economic political and cultural considerations are brought to bear and contemporary examples are used throughout to help the student to consider this relationship the book is essential reading for students and researchers in criminology social policy social work and sociology it is also relevant to practitioners in statutory voluntary and community sector organisations

this text presents a broad overview of the criminal justice system in the united states introduction to criminal justice has been updated to include a new chapter on the issues and ethics of policing in the united states expanded features that foster research and critical thinking activities a hallmark of glencoe postsecondary texts introduction to criminal justice now features critical thinking exercises in different venues and formats to facilitate a more flexible learning approach students will develop their understanding of criminal justice by acquiring a basic knowledge of the law and legal theories building on this foundation the special features then provide essential exposure to practical issues and develop personal and critical thinking skills to prepare students to deal with situations and dilemmas they could encounter in their criminal justice careers
