if zechariah's vision report zechariah 1-8:6-8 reflects the seer's visionary experience how does that impact our understanding of the gradual growth of the text lena sofia tiemeyer builds on the work done in her previous book zechariah and his visions bloomsbury t t clark 2014 to demonstrate that the visionary material forms the primary textual layer the oracular texts constitute chronologically later interpretations zechariah and or later authors editors sought guidance in the earlier vision accounts and the oracular material reflects these endeavours tiemeyer's investigation is guided by the question what is the latter material doing with the former is it enforcing contradicting or adding to it using a ratio

composed of the difference between the intratexts and intertexts of zech 1 8 tiemeyer shows how this ratio is higher in the oracular material than in the visionary material this difference points to the different origin and the different purpose of the two sets of material while the earlier vision report draws on images found primarily in other biblical vision reports the later oracular material has the characteristics of scribal interpretation by drawing on earlier material it seeks to anchor its proposed interpretations of the various vision accounts within the israelite textual tradition it is clear that the divine oracles were added to give modify and specify the meaning of the earlier vision report

qoheleth s driving question according to ogden is posed in the opening lines of his book it is the question what lasting advantage yithron results from the multitude of activities in which humans find themselves engaged in a word the answer is none but the supplementary question remains how shall we then live qoheleth is no pessimist even though he believes that nothing survives from the activities of life he encourages his readers to live life to the full to eat drink and enjoy what god provides wisdom is one of those enjoyable benefits of life but even it has its limitations it can never produce an understanding of the totality what of the classic term hebel traditionally translated vanity in qoheleth s thought it is much better understood argues ogden as enigma or mystery and the mystery it points to is the mystery of the yithron how is joy the proper goal of human life when we know it must inevitably come to an end without leaving any surplus
