unlike some other reproductions of classic texts 1 we have not used ocr optical character recognition as this leads to bad quality books with introduced typos 2 in books where there are images such as portraits maps sketches etc we have endeavoured to keep the quality of these images so they represent accurately the original artefact although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy

humans are at home on land not in the sea we know more about the surface of mars than about our own deep sea the ocean contains the highest mountains on earth and is home to countless mysterious sea creatures that have barely been studied due to this lack of knowledge we underestimate the crucial role the ocean plays for the planet and therefore also for humanity for example in the fight against climate change this book aims to change that based on the latest scientific insights it seeks to immerse the reader through storytelling in the hidden beauty and complex workings of the ocean the authors explain how ocean warming acidification overfishing and pollution threaten not only its fragile flora and fauna but also us yet all is not lost technological revolutions offer hope if we act in time the unknown sea explores how we can rise to the challenges the unknown sea is officially endorsed as an ocean decade activity under the united nations decade of ocean science for sustainable development 2021 2030 this recognition highlights the book s contribution to advancing ocean knowledge and supporting global efforts towards a more sustainable and resilient ocean through its insights and perspectives the unknown sea aligns with the ocean decade s mission to transform ocean science into actionable solutions for society

but told by the gradual water against his shins that his boat must shortly founder conscience smote him hard the near sure prospect of swimming for bare life among the breakers opened his eyes he had held as his very own to risk at will his boat and his life now

with pangs of remorse he recognised the superior claim of a grey haired couple who had been parents to him who bereft of him would go down to the grave in grief and poverty of life and the means of living but little right had he to dispose considering their due and their need
