the reality we see and hear every day the one we touch is called the world in the physical dimension or three dimensional

world what remains unseen by our eyes the immaterial world is largely unknown to most people it comes as no surprise since just like over 90 of our consciousness is made up of the unconscious over 90 of the universe is invisible to the human eye a vast portion of spiritual heritage and ancestral wisdom has been forgotten because it deals with the invisible the non scientific still it is a tremendous loss that is why the author wrote this book to provide information about the world transcending the material in higher dimensions he guides through it a path that by considering new information perspectives and ideas embracing and putting them into practice allows us to recognize new issues and comprehend the vast world extending far beyond the enclosed realm of our consciousness

a detailed description of what the fourth dimension would be like
