as the ubiquitous jamaican musician bob marley once famously sang half the story has never been told this rings particularly true for the little known women in jamaican music who comprise significantly less than half of the caribbean nation s musical landscape this book covers the female contribution to jamaican music and its subgenres through dozens of interviews with vocalists instrumentalists bandleaders producers deejays and supporters of the arts relegated to

marginalized spaces these pioneering women fought for their claim to the spotlight amid oppressive conditions to help create and shape jamaica's musical heritage

achieving sustainable development goals in jamaican communities requires addressing persistent obstacles that have hindered progress in the past this book examines how accessing loans and grants can help communities overcome these barriers focusing on fostering accountability and sustainability in long term initiatives by investigating the impact of these funding sources on communities it aims to shed light on essential strategies that maximize their benefits for community members in jamaica loans and grants are vital financial tools that support both economic and social development loans primarily empower economic growth by providing much needed capital to local businesses and entrepreneurs fueling job creation and financial stability grants on the other hand target social needs and fund community development projects that contribute to sustainable growth the book presents an integrated approach demonstrating how the complementary roles of loans and grants can uplift jamaican communities strengthening the path toward prosperity and equity the book reveals a significant insight many communities hesitate to utilize loans due to concerns about repayment obligations this book encourages a shift in perspective emphasizing that loans like grants can play an essential role in meeting community needs and building resilience ultimately this book serves as a resource for policy guidance offering recommendations that foster community resilience through effective use of both loans and grants it identifies key challenges and opportunities unique to jamaica providing a roadmap that stakeholders can adopt to enhance the impact of these financial resources on community development comprehensive analysis highlights ways to ensure these tools drive meaningful change in jamaican and caribbean communities offering a unique and valuable contribution to the discourse on sustainable community development

seminar paper from the year 2013 in the subject english language and literature studies linguistics grade 13 university of potsdam institut fuer anglistik course languages in contact language english abstract in this paper i want to provide a short introduction to the linguistic history of jamaica moreover i will talk about the standard jamaican english which is the official language of jamaica in this paper i will focus on jamaican creole english therefore i will explain the social status and provide a sociolinguistic analysis of the creole in the last point i will discuss the topic introduced at the top of this paper again the popularity of the jamaican creole english and the recognition of the language in the world in this paper i don't want to give a full linguistic analysis of jamaica's languages but i want to give an insight to the linguistic diversity of jamaica in my research i want to find out if jamaican creole english is only broken english or if the impact of music and popular culture changed it into the standard language of jamaica the latest american volkswagen advertisement depicts a white middle class man speaking to his colleagues with a jamaican creole english accent to cheer them up he is supposed to display a satisfied and happy volkswagen driver the clip was released as a pregame super bowl advertisement in january 2013 and was received controversially whereas many jamaicans saw the ad as a victory for the recognition of their creole language others considered the clip as cultural offensive and racist mcfadden 2013 1 however the association western countries have

towards jamaican creole english is a positive one it is understood as a joyful and upbeat language the positive image of the language is mostly created by popular reggae and dancehall artists like bob marley or shabba ranks who helped jamaican creole english to gain recognition in the world even in the volkswagen ad we can find a reference to the reggae idol the white worker is paraphrasing lyrics from bob marley s song three little birds when standing in the elevator and saying no worries mon everything will be all right mcfadden 2013 1 jamaican creole english changed its image from broken english to a popular creole language which became the tool of communicating music and jamaican culture

can career technical and vocational education and training ctvet serve as a tool for poverty alleviation and solve economic problems for nations ctvet include a wide range of learning experiences which are relevant to the world of work and which may occur in a variety of learning contexts including educational institutions and the workplace these include learning designed to develop the skills for practicing particular occupations and careers as well as learning designed to prepare for entry or re entry into the world of work in general adopted from morris 2015 and unesco 2006

this review provides a snapshot of the state of art of school feeding programmes in 14 of the 15 caricom member states it provides an overview of the different models of school feeding programmes that currently exist in the caribbean challenges faced and recommendations for improvement among the aspects evaluated include the governance structure nutritional quality of meal served linkages with small farmers for the procurement of products used in the meals involvement of children in school gardens related activities etc the document includes a case study for each of the participating countries namely antigua and barbuda bahamas barbados belize dominica grenada guyana haiti jamaica st kitts and nevis st lucia st vincent and the grenadines suriname and trinidad and tobago for each of these countries an annual net benefit analysis was conducted using information collected in 2017 the aim is that the document can provide preliminary information and recommendations that can be relevant for governments public organizations donors opinion leaders private sectors and others toward strengthening school feeding programmes in the caribbean it was developed with the support of the university of the west indies and the caribbean agro economic society under the leadership of prof carlisle pemberton and dr hazel paterson andrews

drawing on examples from the global north and south this book examines the relationship between migration development and diaspora engagement from a governance perspective it explores the ways that governments interact with their own extra national diasporic populations in order to boost economic development build global trading and investment networks and increase their political leverage overseas inside readers will find fifteen essays which highlight such issues as diaspora engagement by governments at different scales the divisions that often exist within diaspora groups diaspora transnationalism and return migration diaspora knowledge networks and higher education capacity building and the neglected issues of south south migration and diasporas as well as north south migration and diasporas the book presents

empirical case studies from various geographical contexts including australia canada the philippines india the caribbean zimbabwe and the united states overall this book presents fresh insights into how and why migrant sending countries are increasingly turning to the diaspora option to attempt to benefit from the transfer of knowledge skills and financial and social capital it provides policy makers researchers and students with new perspectives on governance and the means by which states are attempting to utilize their diaspora resources

this book will explore the reorientation of the foreign policy direction of the caribbean from traditional partners in the western hemisphere towards partners in the asia pacific region in particular it will examine the caribbean s interest in increasing its engagement with china and japan and will also investigate the opportunities and challenges for caribbean states to deepen relations with these two countries opportunities include economic assistance investments diversification of trading partners and infrastructural development however with these benefits are disadvantages which relate to certain conditionalities attached to economic assistance a widening trade deficit and on amore domestic level challenges to regional integration which can hinder the extent and direction of these relationships the book will also examine the main motivations behind china and japan s interest in the caribbean region premised on the argument that they are based on economic development political security and global status case studies will be presented examining inter alia the one china policy in the region as china continues to rise to power japan has been increasing its activities in a bid to stay relevant regionally and internationally in examining the caribbean s engagement with china and japan a principally qualitative approach is employed by using case studies which entails the in depth exploration of events activities and processes case studies of two caribbean countries jamaica and grenada and their engagement with china and japan will be presented
