an american heiress turned resistance hero muriel gardiner was an electrifying woman who impressed everyone she met with her beauty intelligence and powerful personality her adventurous life led her from chicago's high society to a viennese medical school from sigmund freud's inner circle to the austrian underground over the years she saved countless jews and anti fascists providing shelter and

documents ensuring their escape this remarkable woman's life as a legend of the austrian resistance was captured in the movie julia with vanessa redgrave and remains an inspiration to all those who believe that one individual can change the world gardiner's astonishing story is told here for the first time in all its variety and unanticipated twists and turns

the first work to attempt a complete collection of his letters some highlighted by sketches on the backs there are several photographs of his family and friends and reproductions of several of his most famous drawings

this collection aims at a comprehensive and comprehensible overview describing the variety of historical experience for european jewries from c 1000 to c 1500 regional overviews are supplemented by studies on cultural economic social and linguistic aspects as well as by portraits of individual northern jewish communities the collection highlights the similarities and differences among the various european jewish cultures demonstrating that these cultures were no less european than they were jewish at the same time the jewish heritage has deeply influenced medieval and modern european majority cultures this cultural symbiosis was epitomized in the european jewish community kabal aljama

vols include the shorthorn society's grading register for beef shorthorn cattle v include the society's herd book of poll shorthorns

includes entries for maps and atlases

includes an unpagged appendix royal warrant holders and 19 a war honours supplement
