when i was a child i did not live with what i went through all i can say is it was completely gone if something happened the night before or during a weekend i simply did not know i felt a sense of sadness inside or maybe a knowledge i was different but i had no explanation for this foreboding feeling as i grew closer to eight years old i became aware of the fact that i had no parent mother or father i did not mourn it though it didn t even seem

important to me i lived in a strange place i did not know anything i believe to keep the memories down until i could handle them after my mother died it was time she was gone my world changed something about her being dead opened a tremendous fear a fear i had to deal with or it would end me

a journalist s profound investigation into the reality behind an intense waking vision and the search for healing after death details the author s vivid waking vision of a dying german soldier in world war ii and how he discovered the soldier was a real person including his research into german military archives and meeting the man s surviving family members explores synchronicities reincarnation and communication across the veil between life and death reveals how the author helped the dead soldier find forgiveness and healing while on a spiritual retreat in peru journalist stéphane allix experienced a vivid waking vision of a soldier dying on a snowy battlefield followed by scenes from the soldier s earlier life he also clearly saw the man s name alexander herrmann and felt a disturbing sense of closeness with the soldier obsessed by the power of this extremely real vision allix began an intensive investigation that revealed this individual had actually existed a german soldier who died in world war ii during the 1941 russian campaign as he began retracing herrmann s past he found that the other images accompanying the battle scene were also of people who had truly existed and were close to the man who died diving deep into german military archives meeting the man s surviving family members and following his own intuitive hunches the author also discovered that the soldier was part of the waffen s s the infamous totenkopf brigade and his investigation broadened to explore what drove herrmann to become part of such an organization while allix s initial impression is that this german soldier was a past life as he progresses in his rigorous investigation and his decoding of the events surrounding it he realizes that it was actually his own work with the paranormal and his unresolved feelings over the death of his brother and his father that made him particularly sensitive to the veil between life and death culminating in the soul of this dead soldier coming to him in search of forgiveness and healing allix realizes that his mission is not to bring about the rebirth of this person but to heal him and the victims of his ignominious actions during the war offering a fascinating exploration of visions synchronicities reincarnation and the connections between the spiritual and physical planes when i was someone else shares a powerful message of healing after death along with the profound epiphany that light needs darkness to be perceived
