presents a different paradigm of successful aging for men and women entering into and moving through the second half of their lives through an exploration of key concepts like purpose and renewal and by drawing upon the timeless metaphor of fire this book enables readers to become what the authors call new elders quot

slim mournful tale of loss and memory in a coastal norwegian town first published in norway in 2003 the novel opens with a series of shifts in perspective time and identity that hint at the experimentation that follows we immediately meet signe an aging woman living alone near a fjord the story is set in 2002 but signe is soon thinking back to 1979 and the day her husband asle died while boating in the waters

richard leider and david shapiro helped hundreds of thousands if not millions of people discover the true purpose of their lives with their classic bestseller repacking your bags now they focus their attention on the second half of life showing readers how to claim their rightful place as new elders men and women who the authors write use the second half of life as an empty canvas a blank page a hunk of clay to be crafted on purpose claiming your place at the fire uses dozens of inspiring and surprising stories of new elders as well as thought provoking exercises like the fireside chats that conclude each chapter to help readers address four key questions who am i how do i stoke the wisdom gained in the first half of my life to burn more brightly in the second half where do i belong what makes a place the right place for me in the second half what do i care about where do i want to use my gifts and talents in the second half what is my purpose how do i leave a legacy that has real meaning for myself and my loved ones what is my purpose how do i leave a legacy that has real meaning for myself and my loved ones for the next 12 years there will be 10 000 people a day in the u s alone turning 50 never before have so many entered into the second half of life so vital healthy and free and never before have so many had such a hunger for

direction in how to live this stage of their lives in a purposeful way claiming your place at the fire shows how to embrace the lessons that we learn as we age and share these lessons in a manner that is relevant and meaningful to ourselves and the people whose lives we touch

shows readers how math skills are used by firefighters including information about volume length and weight
