robinson crusoe was a castaway as a result of a terrible storm at sea he was left with only
a knife some tobacco and a pipe and so starts his education in how to survive he learns
how to build a canoe make bread and endure endless solitude until twenty four years later
he meets another human being robinson crusoe has been praised by such writers as james
joyce virginia woolf and samuel johnson as one of the greatest novels in the english
language the further adventures of robinson crusoe start in england where he is married
with three children and has bought a farm but he is desperate to see his island and can
think of nothing else his wife tells him she will go with him but then dies and so the story
unfolds and the travelling begins taking us back to the island to madagascar southeast asia
and china and then on to siberia moll flanders was also praised by virginia woolf saying it
was one of the few english novels which we can call indisputably great defoe wrote this
story under a pseudonym giving the impression that the story was actually an
autobiography the tale is a journey from rags to riches of a woman who was born in prison
and ascends to wealth and status defoe catalogues her misdemeanours her spirit her
determination and her varied careers from a prostitute a charming and faithful wife a thief
and a convict the title page gives the synopsis the fortunes misfortunes of the famous moll
flanders c who was born in newgate and during a life of continued variety for threescore
years besides her childhood was twelve year a whore five times a wife whereof once to
her own brother twelve year a thief eight year a transported felon in virginia at last grew
rich lived honest and dies a penitent written from her own memorandums a journal of the
plague year chronicles the year 1665 when the great plague swept through london claiming

nearly 100 000 lives defoe so vividly chronicles the progress of the disease that this book has frequently been miscategorised as non fiction defoe is utterly convincing and this book transports us to the city through the deserted streets and beside the houses with crosses daubed on their doors introduces us to the citizens and we feel with them the horror fear and hysteria growing roxana is defoe s last and darkest novel again it is an autobiography of a woman who has traded her virtue at first for survival and then for fame and fortune this woman is well aware of the price she is paying and of her weaknesses she tries to learn the lessons of her trials and struggles in life but unlike his other characters she fails conquer these weaknesses

i had two elder brothers one of which was lieutenant colonel to an english regiment of foot in flanders formerly commanded by the famous colonel lockhart and was killed at the battle near dunkirk against the spaniards what became of my second brother i never knew any more than my father or mother did know what was become of me

robinson crusoe is a novel by daniel defoe first published on 25 april 1719 this first edition
credited the work s fictional protagonist robinson crusoe as its author leading many readers
to believe he was a real person and the book a travelogue of true incidents it was published
under the considerably longer original title the life and strange surprizing adventures of
robinson crusoe of york mariner who lived eight and twenty years all alone in an un
inhabited island on the coast of america near the mouth of the great river of oroonoque
having been cast on shore by shipwreck wherein all the men perished but himself with an
account how he was at last as strangely deliver d by pyrates epistolary confessional and
didactic in form the book is a fictional autobiography of the title character whose birth name
is robinson kreutznaer a castaway who spends years on a remote tropical island near

widely perceived to have been influenced by the life of alexander selkirk a scottish
castaway who lived for four years on the pacific island called más a tierra in 1966 its name
was changed to robinson crusoe island chile however other possible sources have been
put forward for the text it is possible for example that defoe was inspired by the latin or
english translations of ibn tufail s hayy ibn yaqhdhan an earlier novel also set on a desert
island another source for defoe s novel may have been robert knox s account of his
abduction by the king of ceylon in 1659 in an historical account of the island ceylon
glasgow james maclehose and sons publishers to the university 1911

robinson crusoe is an englishman from the town of york in the seventeenth century the

is committed to obeying his father but he eventually succumbs to temptation and embarks on a ship bound for london with a friend when a storm causes the near deaths of crusoe and his friend the friend is dissuaded from sea travel but crusoe still goes on to set himself up as merchant on a ship leaving london this trip is financially successful and crusoe plans another leaving his early profits in the care of a friendly widow the second voyage does not prove as fortunate the ship is seized by moorish pirates and crusoe is enslaved to a potentate in the north african town of sallee while on a fishing expedition he and a slave boy break free and sail down the african coast a kindly portuguese captain picks them up buys the slave boy from crusoe and takes crusoe to brazil in brazil crusoe establishes himself as a plantation owner and soon becomes successful eager for slave labor and its economic advantages he embarks on a slave gathering expedition to west africa but ends up shipwrecked off of the coast of trinidad

there is no shortage of explanations for the longevity of defoe s robinson crusoe which has been interpreted as both religious allegory and frontier myth with crusoe seen as an example of the self sufficient adventurer and the archetypal colonizer and capitalist defoe s original has been reimagined multiple times in legions of robinsonade or castaway stories but the crusoe myth is far from spent this wideranging collection brings together eleven scholars who suggest new and unfamiliar ways of thinking about this most familiar of works and who ask us to consider the enduring appeal of crusoe more recognizable today than ever before
