a superb read destined to become the go to book for anyone interested in this long neglected period of the revolutionary and napoleonic wars the napoleon series to crush the french revolution the armies of the first coalition gathered round france s borders the largest of which was assembled in flanders composed of anglo hanoverian dutch hessian prussian and imperial austrian troops its aim was to invade france and restore the nobility to what was considered their rightful place opposing them was the french armée du nord in command of the anglo hanoverian contingent was the son of george iii the duke of york the campaign was a disaster for the coalition forces particularly during the severe winter of 1794 5 when the troops were forced into a terrible and humiliating retreat britain s reputation and that of its military leaders was severely diminished with the forces of the revolution sweeping all before them on a tide of popularism yet from this defeat grew an army that under the duke of wellington would eventually crush the revolution s greatest general napoleon bonaparte of the flanders campaign wellington who fought as a junior officer under the duke of york remarked that the experience had at least taught him what not to do napoleon series research editor steve brown has produced one of the most insightful and much needed studies of this disastrous but intriguing campaign with particular focus on the british army s contribution with copious maps and nineteen appendices including detailed orders of battle he concludes this important work with an analysis that draws striking and significant comparisons with the flanders campaigns of 1914 and 1940 how history repeats itself

this detailed study reveals the history of the meuse argonne campaign the us army s first full scale offensive against german forces in france when the united states declared war on germany in april 1917 the tiny us army did not even have a standing division a huge national army worthy of the western front was quickly enlisted trained and then transported to france to fight against the germans in september 1918 the american expeditionary force under general john pershing began its first full scale offensive against german forces in lorraine in which the us first army and eventually the us second army would drive north between the argonne forest and the meuse river towards sedan the meuse argonne was excellent defensive terrain being hilly steep heavily wooded and fortified by the germans over a three year period the offensive began on 26 september 1918 a largely inexperienced us first

army with mid level officers including harry s truman douglas macarthur and george patton suffered setbacks and heavy casualties during its straight ahead offensive against a still potent but fading german fifth army however by early november 12 million americans and several hundred thousand french were engaged at the meuse argonne and the hindenburg line had been decisively broken the german withdrawal from sedan approached a rout and the americans finally had the germans on the run until the armistice ended the offensive on 11 november 1918 this engaging book tells the full story of this key offensive illustrating and explaining the troops weapons and tactics of both the american expeditionary force and the german fifth army in stunning detail

a detailed and vivid account of the battles on three deadly fronts the research is breathtaking the assembly of the story is masterful the long long trail after the great battles of 1916 the allied armies planned to launch massive attacks north and south of the somme the german withdrawal to the hindenburg line in march 1917 forced the new french cinc general nivelle to rethink and the french embarked on a major attack in the aisne area and along the chemin des dames with the british conducting large scale diversionary operations around arras the french suffered disastrously and rendered incapable of further offensive operations it fell to the british to step up the pressure which they did albeit at a terrible price this latest work by expert jack sheldon describes the event of spring 1917 from the defenders perspective in particular it reveals the methods the germans used to smash the french attacks and oberst fritz von lossberg s transformation of the defenses in the arras front actions described in detail are the bitter battles around monchy le preun the roeux chemical works and bullecourt as well as the capture of vimy ridge this volume of jack sheldon s highly detailed series of books on the german army in the great war follows his usual effective model employing the clear writing and knowledge learned from dogged detailed research it would be impossible to offer other than the highest recommendation for this book stand to the western front association incredibly moving and powerful pennant

the german 10th infantry division stationed in the area of the poznań 5th army corps was quite a unique formation the author presents the origin and fighting traditions of the division s specific regiments in 1866 1871 the organisational structure the uniforms the soldiers equipment and weapons however the narration mainly focuses on the history of the 10th infantry division in august 1914 the departure to the concentration area and the fighting

in the first month of the war bartosz kruszyński also provides the perspective of the opponent the french paris 7th infantry division of great value is the fact that the military operations have been presented from the perspectives of german and french soldiers the text is supplemented by maps and unique iconography

the battle of le hamel on 4 july 1918 was an allied triumph and strategically very important in the closing stages of ww1 a largely australian force commanded by the brilliant john monash fought what has described as the first modern battle where infantry tanks artillery and planes operated together as a coordinated force monash planned every detail meticulously with nothing left to chance integrated use of planes wireless and even carrier pigeons was the basis and it went on from there down to the details infantry artillery tanks and planes worked together of the battlefield with relatively few losses in the words of monash a perfect modern battle plan is like nothing so much as a score for an orchestral composition where the various arms and units are the instruments and the tasks they perform are their respective musical phrases

Right here, we have countless ebook **Das Infanterie Regiment Graf Tauentzien Von Wittenberg** and collections to check out. We additionally give variant types and plus type of the books to browse.
