the fifth edition of behrouz forouzan s data communications and networking presents a comprehensive and accessible approach to data communications and networking that has made this book a favorite with students and professionals alike more than 830 figures and 150 tables accompany the text and provide a visual and intuitive opportunity for understanding the material this unique approach minimizes the need for heavy math content allowing normally complicated topics to unfold graphically and visually rather than through the presentation of complex formulas the global edition has been developed specifically to meet the needs of

international computer networks students in addition to a chapter on the peer to peer paradigm a full chapter on quality of service qos generous coverage of forward error correction coverage of wimax and material on socket interface programming in java we have added new international end of chapter questions and problems to make the content more relevant and improve learning outcomes for the international student

this discounted david slaton series ebundle includes assassin s game assassin s silence assassin s code larsen is not just a dazzling new talent he s a dazzling new superstar stephen coonts assassin s game david slaton has a good life he has a new wife and a house in the virginia suburbs but he also has a dark past slaton is a former kidon the most lethal israeli assassin ever created after decades of work a brilliant scientist has taken iran to the threshold of its dream a nuclear tipped ballistic missile with a spy lurking high in its ranks there is only one option bring back slaton the kidon has vowed to never kill again but when his wife is attacked and forced to flee across europe events force his hand assassin s silence when it comes to disappearing david slaton has few equals police in three countries have written off trying to find him his old employer mossad keeps no forwarding address even his wife and son are convinced he is dead so when an assault team strikes slaton is taken by surprise he kills one man and manages to escape assassin s code former assassin david slaton discovers a cryptic message on a memory stick a photograph of the man who will soon assume command of dgsi france s elite counterterrorism force with that country reeling under a wave of isis attacks zavier baland will be trusted to make the republic safe again the problem slaton has seen baland s face before he is ali samir a terrorist slaton is certain he killed fifteen years earlier slaton keeps a breakneck pace traveling to tel aviv paris and the deserts of syria in the end he uncovers a labyrinthine plot and one that only he can stop at the publisher s request this title is being sold without digital rights management software drm applied

this timely handbook brings together leading international scholars from a range of disciplinary backgrounds and geopolitical perspectives to interrogate the intersections between migration and global justice it explores how cross border mobility and migration have been affected by rapid economic cultural and technological globalisation addressing the pressing questions of global justice that arise as governments respond to unprecedented levels of global migration

this volume sets out to challenge and expand anglophone literary migration studies in the global north with a two fold approach it proposes precarious migrancy as a conceptual framework to capture hitherto neglected aspects

of subaltern displacement and it turns to the global south as a site of knowledge production about migration the chapters discuss literary narratives originally written in chinese kurdish and italian as well as english and covering a wide geographical range to ask what experiences and understandings of migration emerge from southern perspectives across the volume precarious migrancy emerges as a key concept for understanding contemporary globalization in general and migration in the global south in particular the chapters offer significant reconceptualizations of precarity and migrancy by reading southern literatures of migration as a mode of theorization of the contemporary world contributing to the ongoing shift in framings of migration in anglophone and postcolonial literary studies this volume will be of significant interest to scholars in literary migration studies global south studies and postcolonial studies it offers readings of rarely studied literary texts as well as new concepts for scholars interested in understanding the nexus of literature and migration today

literary journalism goes inside prison just sentences opens up a new exploration of literary journalism immersive long form journalism so beautifully written that it can stand as literature in the first anthology to examine literary journalism and prison in this book a wide range of compelling subjects are considered these include nelson mandela and other prisoners of apartheid the made in prison podcast ear hustle women s experiences of life behind bars behrouz boochani s 2018 bestseller no friend but the mountains george orwell s artful writing on incarceration pete earley s immersion into the largest prison in the united states the hot house arthur koestler and the spanish civil war ted conover s year as a prison guard in newjack guarding sing sing and most originally bruce springsteen s execution narrative nebraska this volume will benefit anyone who writes studies or teaches any form of narrative nonfiction eleven international scholars articulate what makes the work they are analysing so exceptional at the same time they offer insights on a diverse range of vital topics these include journalism ethics journalism and trauma media history cultural studies criminology and social justice
