here is a brisk accessible and vivid introduction to arguably the most important event in the history of the united states the american revolution between 1760 and 1800 the american people cast off british rule to create a new nation and a radically new form of government based on the idea that people have the right to govern themselves in this lively account robert allison provides a cohesive synthesis of the military diplomatic political social and intellectual aspects of the revolution paying special attention to the revolution s causes and consequences the book recreates the tumultuous events of the 1760s and 1770s that led to revolution such as the boston massacre and the boston tea party as well as the role the sons of liberty played in turning resistance into full scale revolt allison explains how and why americans changed their ideas of government and society so profoundly in these years and how the war for independence was fought and won he highlights the major battles and commanders on both sides with a particular focus on george washington and the extraordinary strategies he developed to defeat britain s superior forces as well as the impact of french military support on the american cause in the final chapter allison explores the aftermath of the american revolution how the newly independent states created governments based on the principles for which they had fought and how those principles challenged their own institutions such as slavery in the new republic he considers as well the revolution s legacy the many ways its essential ideals influenced other struggles against oppressive power or colonial systems in france latin america and asia sharply written and highly readable the american revolution offers the perfect introduction to this seminal event in american history

this book traces the development of the united states from the 1760s to consolidation of the federal government during the 1790s its

prime focus is on those internal processes that gave the american republic its distinctive character though the revolutionary war is also discussed the book opens with a description of colonial america and continues by examining the winning of independence it then discusses two interwoven central themes one is the establishment of republican governments and social developments within individual states the second is the growth of national union from before the war to implementation of the federal constitution

axelrod explores the fascinating mix of philosophical ideals and economic self interest that ignited america s struggle for independence

new york times bestseller an elegant synthesis done by the leading scholar in the field which nicely integrates the work on the american revolution over the last three decades but never loses contact with the older classic questions that we have been arguing about for over two hundred years joseph j ellis author of founding brothers a magnificent account of the revolution in arms and consciousness that gave birth to the american republic when abraham lincoln sought to define the significance of the united states he naturally looked back to the american revolution he knew that the revolution not only had legally created the united states but also had produced all of the great hopes and values of the american people our noblest ideals and aspirations our commitments to freedom constitutionalism the well being of ordinary people and equality came out of the revolutionary era lincoln saw as well that the revolution had convinced americans that they were a special people with a special destiny to lead the world toward liberty the revolution in short gave birth to whatever sense of nationhood and national purpose americans have had no doubt the story is a dramatic one thirteen insignificant colonies three thousand miles from the centers of western civilization fought off british rule to become in fewer than three decades a huge sprawling rambunctious republic of nearly four million citizens but the history of the american revolution like the history of the nation as a whole ought not to be viewed simply as a story of right and wrong from which

moral lessons are to be drawn it is a complicated and at times ironic story that needs to be explained and understood not blindly celebrated or condemned how did this great revolution come about what was its character what were its consequences these are the questions this short history seeks to answer that it succeeds in such a profound and enthralling way is a tribute to gordon wood s mastery of his subject and of the historian s craft

differences in political social economic and religious beliefs led the colonists in america to seek independence from great britain this successful determination influenced liberal thought throughout europe at the time and encouraged other revolutions to break out

learn about the causes of the american revolution its leaders and how brave patriots fought for a chance at liberty

examines the people and events involved in the significant war by which the thirteen original colonies broke away from england

originally published in 1986 this book discusses the various meanings which historians have given to the term american revolution it can be seen as a revolutionary war of independence from britain but also a constitutional and ideological revolution within america this survey firstly examines the view from britain and the consequences of the policy of exerting closer financial control over its colonies it then discusses the colonists perception of british actions and their responses which were to culminate in the declaration of independence it concludes by examining the continuing revolution within america after the break with england this will be of interest to a level and introductory undergraduate course

a concise guide to the events places and personalities that dominated the revolutionary era in america

an illustrated collection of essays that explores the international dimensions of the american revolution and its legacies in both america and around the world the american revolution a world war argues that contrary to popular opinion the american revolution was not just a simple battle for independence in which the american colonists waged a david versus goliath fight to overthrow their british rulers instead the essays in the book illustrate how the american revolution was a much more complicated and interesting conflict it was an extension of larger skirmishes among the global superpowers in europe chiefly britain spain france and the dutch republic amid these ongoing conflicts britain s focus was often pulled away from the war in america as it fought to preserve its more lucrative colonial interests in the caribbean and india the book the illustrated companion volume to the smithsonian national museum of american history exhibition of the same name touches on this and other topics including overseas empires economic rivalries supremacy of the seas european diplomacy and more together the book s incisive text full color images and topical sidebars underscore that america s fight for independence is most clearly comprehended as one of the first global struggles for power

a companion to the american revolution is a single guide to the themes events and concepts of this major turning point in early american history containing coverage before during and after the war as well as the effect of the revolution on a global scale this major reference to the period is ideal for any student scholar or general reader seeking a complete reference to the field contains 90 articles in all including guides to further reading and a detailed chronological table explains all aspects of the revolution before during and after the war discusses the status and experiences of women native americans and african americans and aspects of social and daily life during this period describes the effects of the revolution abroad provides complete coverage of military history including the home front concludes with a section on concepts to put the morality of early america in today s context

what events led up to the boston tea party or the signing of the declaration of independence these stories are filled with human interest and packed with facts offering readers an exciting look into this important time in our nation s history

this is an overview of the entire revolutionary war period in american history from the inception of the revolutionary movement to the conclusion of peace the book synthesizes scholarship on the period from 1763 to 1788 discussing military political social cultural and diplomatic history in relation to this important era in american history

the american revolution a world war argues that contrary to popular opinion the american revolution was not just a simple battle for independence in which the american colonists waged a david versus goliath fight to overthrow their british rulers instead the essays in the book illustrate how the american revolution was a much more complicated and interesting conflict it was an extension of larger skirmishes among the global superpowers in europe chiefly britain spain france and the dutch republic amid these ongoing conflicts britain s focus was often pulled away from the war in america as it fought to preserve its more lucrative colonial interests in the caribbean and india the book the illustrated companion volume to the smithsonian national museum of american history exhibition of the same name touches on this and other topics including overseas empires economic rivalries supremacy of the seas european diplomacy and more together the book s incisive text full color images and topical sidebars underscore that america s fight for independence is most clearly comprehended as one of the first global struggles for power amazon com

the american revolution vividly illustrates through a collection of fascinating primary documents how in the space of a few hundred years contented colonists would form an independent country that could challenge the greatest world power of the time and win steven c bullock turns to such documents as common sense the declaration of independence diaries newspaper debates slave

petitions and a pictorial essay on paul revere showingthat the words and actions of common men as well as great men played important roles in making the revolution not just a coup d'État but a genuine change that shook the foundations of authority and dramatically changed american society
