afin de faire face aux risques et aux nouveaux défis de la globalisation les économies ont essayé de renforcer leur intégration régionale en construisant de nouveaux regroupements régionaux ou en impulsant une nouvelle dynamique aux regroupements existants un large mouvement d'intégration régionale a pris corps dans les différentes régions de la planète avec la consolidation de l'union européenne le lancement du mercosur la mise en place de l'alena en Amérique du Nord ou le renforcement de l'ASEAN pour les pays asiatiques l'Afrique n'est pas restée en dehors de ce mouvement le parcours de l'intégration régionale en Afrique centrale a été à l'image de celui du continent même si le processus n'a pas été aussi loin que dans d'autres régions l'Afrique centrale s'est dotée dès les indépendances d'institutions qui ont fonctionné jusqu'au début des années 1980 ce processus connaîtra un ralentissement marqué durant cette période un arrêt d'autant plus important que l'Afrique centrale a été la région la plus touchée par les conflits cependant cette traversée de désert ne durera pas longtemps et dès le début des années 1990 le processus d'intégration régionale en Afrique centrale sera relancé ainsi la CEMAC a été créée en mars 1994 pour approfondir et renforcer l'effort d'intégration

déjà entamé par l'Udeac par ailleurs en 1998 les chefs d'États de l'Afrique centrale ont décidé de relancer la CEEAC cet ouvrage constitue une contribution à la réflexion sur les questions d'intégration régionale en Afrique centrale il reprend les travaux du bureau de l'Afrique centrale de la commission Économique des Nations unies pour l'Afrique dont le siège est à Yaoundé au Cameroun et qui a appuyé le processus d'intégration dans la sous-région il reprend également les contributions présentées par des experts de la sous-région lors d'un séminaire organisé par la CEEAC en préparation au forum africain sur le développement organisé en mars 2002 par la commission Économique des Nations unies pour l'Afrique à Addis Abeba autour du thème de l'intégration régionale en Afrique

la 4^{ème} de couverture indique concilier dans l'objectif du développement durable efficacité économique protection de l'environnement et équité sociale tel est l'objectif à atteindre le travail de Xavier Pinaud s'efforce d'éclairer la réflexion sur les diverses implications de cette formule le travail de Xavier Pinaud mis à jour à la fin de l'année 2002 présente deux qualités essentielles il s'agit tout d'abord d'un véritable exercice de juriste où la rigueur du plan contribue puissamment à éclaircir un domaine nécessairement technique complexité dont l'abondance de l'appareil référentiel témoigne il s'agit aussi de l'œuvre d'un juriste de l'environnement qui démontre au fil de ses analyses et propositions que l'intéressé n'a pas choisi par défaut sa nécessaire spécialisation au sein du monde du droit trois dimensions sont alors à souligner s'agissant du principe d'intégration on perçoit fortement en quoi il présente un caractère crucial dans la définition de la mise en œuvre des politiques publiques de développement durable question d'effectivité en effet lorsque le droit des marchés publics est invité à intégrer certes sous des formes plus ou moins intenses et progressives des conditionnalités sociales et environnementales le développement durable quitte le monde des formules plus ou moins à la mode pour influencer au quotidien à travers notamment la masse financière que représentent les marchés publics nul doute que dans le même mouvement ces conditionnalités se proposeront en qualité d'indicateurs de politiques de développement durable autrement convaincants que les protestations ou déclarations généreuses à la juridicité vaporeuse l'auteur démontre encore avec un ton incisif en quoi le pluralisme juridique contemporain est au cœur de l'engendrement de la norme positive ici on ne peut qu'être frappé par la fermeté somme toute audacieuse de la position communautaire et en particulier de la Cour de Justice des Communautés

européennes si on les place au miroir de la réticence quelque peu conservatrice du droit français interne enfin l'ouvrage de xavier pinaud devrait susciter l'intérêt de multiples acteurs les juristes de l'environnement sans doute mais les juristes des marchés publics aussi bien sûr les élus du suffrage universel direct et les agents des collectivités publiques à l'évidence sont concernés l'état les collectivités territoriales leurs groupements et les établissements publics dans leur diversité compte tenu de l'objet les marchés publics c'est aussi une grande part du secteur privé des entreprises de production et de service qui sera particulièrement attentif à examiner l'opportunité d'anticiper en interne les dispositions juridiques à venir à terme rapproché enfin comment omettre de cette énumération les ong environnementales et d'action sociale

cet ouvrage constitue une contribution à la réflexion sur les questions d'intégration régionale en Afrique centrale il reprend les travaux du bureau de l'Afrique centrale de la commission économique des Nations Unies pour l'Afrique dont le siège est à Yaoundé au Cameroun et qui a appuyé le processus d'intégration dans la sous-région il reprend également les contributions présentées par des experts de la sous-région lors d'un séminaire organisé par la cea ac en préparation au forum africain sur le développement organisé en mars 2002 par la commission économique des Nations Unies pour l'Afrique à Addis Abeba autour du thème de l'intégration régionale en Afrique

the european yearbook promotes the scientific study of nineteen european supranational organisations and the oecd the series offers a detailed survey of the history structure and yearly activities of each organisation and an up to date overview of the member states of each organisation this special anniversary volume celebrates 60 years of publication of the yearbook and its contents differs from that of the regular volumes therefore it offers a selection of the most important articles dealing with european cooperation and integration to appear in the yearbook during its 60 years of publication these are of particular interest not only because they provide a unique historical snapshot of the many successes and occasional failures in the field of european integration but also because they discuss the ideals and aims that lay behind these efforts many of which still resonate today as Europe confronts questions about its

political destiny and ideal shape this volume contains articles in english and french

the african yearbook of international law provides an intellectual forum for the systematic analysis and scientific dissection of issues of international law as they apply to africa as well as africa s contribution to the progressive development of international law it contributes to the promotion acceptance of and respect for the principles of international law as well as to the encouragement of the teaching study dissemination and wider appreciations of international law in africa a clear articulation of africa s views on the various aspects of international law based on the present realities of the continent as well as on africa s civilization culture philosophy and history will undoubtedly contribute to a better understanding among nations the african yearbook of international law plays an important role in examining the tensions underlying the state in africa and by shedding more light on the causes of the fragility of african state institutions so as to facilitate the identification of appropriate remedies the tension and interrelationships among issues such as territorial integrity self determination ethnic diversity and nation building are constantly addressed development human rights and democratization in africa are also the subject of continuous attention and examination the special theme of this volume is regional economic integration in africa

the oecd review of regulatory reform in indonesia focuses on the administrative and institutional arrangements for ensuring that regulations are effective and efficient

L auteur analyse ici l option pour l intégration économique et présente ses indéniables avantages les instruments qui permettent de réaliser cette intégration ainsi que les contraintes liées à celle ci et les techniques utilisées pour la réaliser il apparaît que les régions africaines qui connaissent un niveau avancé d intégration économique sont celles qui ont réalisé l intégration ou l harmonisation juridique la plus avancée
