greece is a ancient land blessed with a stunning natural beauty and an inspiring cultural heritage but burdened with history and conflict it shares many traits and comparable trajectories with its neighbors and countries of a similar background modern greece is a successor nation state of the ottoman empire created in the early 19th century through the interplay of an evolving greek national idea the crisis of the ottoman state and the intervention of great powers historical dictionary of modern greece second edition contains a chronology an introduction and an extensive bibliography the dictionary section has more than 200 cross referenced entries on important personalities as well as aspects of the country s politics economy foreign relations religion and culture this book is an excellent resource for students researchers and anyone wanting to know more about greece

written by the late dave thomas the widely known founder of wendy s and franchising consultant michael seid this is a comprehensive and reliable resource for anyone interested in purchasing a franchise

india bharat and pakistan the second book of the bharat trilogy takes the discussion forward from its bestselling predecessor india that is bharat it explores the combined influence of european and middle eastern colonialities on bharat as the successor state to the indic civilisation and on the origins of the indian constitution to this end the book traces the thought continuum of middle eastern coloniality from the rise of islamic revivalism in the 1740s following the decline of the mughal empire which presaged the idea of pakistan until the end of the khilafat movement in 1924 which cemented the road to pakistan the book also describes the collaboration of convenience that was forged between the proponents of middle eastern coloniality and the british colonial establishment to the detriment of the indic civilisation one of the objectives of this book is to help the reader draw parallels between the challenges faced by the indic civilisation in the tumultuous period from 1740 to 1924 and the present day its larger goal remains the same as that of the first which is to enthuse bharatiyas to undertake a critical decolonial study of bharat s history especially in the context of the constitution so that the religiosity towards the document is moderated by a sense of proportion perspective and purpose
