a history of immigrants in the american west in the nineteenth and twentieth centuries and their effect on the region at a time when immigration policy is the subject of heated debate this book makes clear that the true wealth of america is in the diversity of its peoples by the end of the twentieth century the american west was home to nearly half of america s immigrant population including asians and armenians germans and greeks mexicans italians swedes basques and others this book tells their rich and complex story of adaptation and isolation maintaining and mixing traditions and an ongoing ebb and flow of movement assimilation and replenishment these immigrants and their children built communities added to the region s culture and contended with discrimination and the lure of americanization the mark of the outsider the alien the nonwhite passed from group to group even as the complexion of the region changed the region welcomed then excluded immigrants in restless waves of need and nativism that continue to this day written in the fashion of oscar handlin this study makes a convincing case that immigration history comprises an essential part of the history of the american west and that appreciation of the former and the roles played by myriad alien arrivals is essential for understanding the latter barkan combines vignettes based on immigrant reminiscences with keen analysis to explore four related themes various groups arrivals their economic influences their effects on public policy and their adaptation and assimilation the resulting narrative is readable and informative recommended choice a remarkable synthesis of the west as a region of immigrants it tells the story of how vital immigrants were to economic growth and modernization this will be the prime reference for 21st century scholars of immigration and ethnicity in the american west annals of wyoming spring 2010

although chicano scholarship has grown significantly research on women of mexican descent remains sparse this issue of perspectives is devoted to mexican american women and examines the reasons of the lack of published scholarship as well as new directions and paradigms for research this compilation of articles and essays on chicanas

reflects the continuing effort to provide a corrective to the traditional works and models that have obscured the roles and experiences of women readers will find them thoughtful instructive and provocative contents beyond machismo la familia and ladies auxiliaries a historiography of mexican origin women s participation in voluntary associations and politics in the united states 1870 1990 by cynthia e orozco beyond the adelita image women scholars in the national association for chicano studies 1972 1992 by gilberto garc a faithful hard working mexican hands mexicana workers during the great depression by yolanda ch vez leyva midwestern mexican american women and the struggle for gender equality a historical overview 1920s 1960s by richard santill cooperative re weavings astistic expression and the economic development in a northern new mexican village by mar a ochoa deconstructing the corrido hero caballero and its gendered critique of nationalist discourse by mar a cotera the rearguarders thesis and latina elites a case study by isidro d ortiz

of all the historical characters known from the time of the spanish conquest of the new world none has proved more pervasive or controversial than that of the indian interpreter guide mistress and confidante of hern□n cort□s do□a marina la malinche malintzin the mother of cort□s s son she becomes not only the mother of the mestizo but also the mexican eve the symbol of national betrayal very little documented evidence is available about do□a marina this is the first serious study tracing la malinche in texts from the conquest period to the present day it is also the first study to delineate the transformation of this historical figure into a literary sign with multiple manifestations cypess includes such seldom analyzed texts as ireneo paz s amor y suplicio and do□a marina as well as new readings of well known texts like octavio paz s el laberinto de la soledad using a feminist perspective she convincingly demonstrates how the literary depiction and presentation of la malinche is tied to the political agenda of the moment she also shows how the symbol of la malinche has changed over time through the impact of sociopolitical events on the literary expression

probes the relationship between the immigration and health care systems in the united states for the roughly ten million undocumented immigrants living in the united states federal health care coverage is out of reach barred from medicare medicaid and the affordable care act most rely on hospital emergency rooms when they get sick or clinics that don t inquire about immigration status further obstacles to health care including discrimination and the fear of deportation mean that immigrants undocumented or not seek and receive less medical attention than any other population in the country yet immigrants haven t always been ostracized from health care in the united states providers and activists have for over a century worked to make medical services available to newcomers and migrants including at times the undocumented drawing together stories from diverse communities from the mid nineteenth century to the present borders of care examines how health care in the united states has both included and excluded immigrants beatrix hoffman analyzes both the health and immigration systems adding to our understanding of why these structures and the policies that support them have resisted reform moreover she shows that immigrants often scapegoated as burdens on the health care system have strengthened it through their responses to systemic exclusion by creating hospitals and clinics serving as practitioners fighting for safer workplaces filing lawsuits organizing and protesting immigrants and migrants have improved medical access for everybody and advanced the idea of health care as a universal right as accessible as it is authoritative hoffman s survey could not be more timely

diva history of women s political organizing and state formation in mexico before and during the populist regime of cardenas challenging assumptions that all mexican women were conservative and anti revolutionary div
