from the beloved author of the bestselling to bless the space between us and anam cara comes a new work that shares his insights on nature and the ancient wisdom of this earth john o donohue won hundreds of thousands of admirers with his now classic work on celtic spirituality anam cara unfortunately he died suddenly at age fifty two just as his book of blessings to bless the space between us was being published the loss of his powerfully wise and lyrical voice has been profoundly missed but his many readers are given a special opportunity to revisit john in a new book based on a series of papers he wrote on the elements

of water stone air and fire now published here for the first time o donohue s readers know him as both a spiritual guide and a poet and in this work he exhibits both qualities sharing his celtic heritage and his love for his native landscape in the west of ireland as o donohue explores a range of themes relating to the way we live our lives today he reveals how the energy and rhythm of the natural world its innocence and creativity its power and splendor hold profound lessons for us all with a foreword written by his beloved brother pat this illuminating book is an inspired reflection on the ancient wisdom of the earth

synopsis reflections in nature was written originally in response to the enormous suffering of the covid pandemic and seeks to continue to look at nature and reflective writing both poetry and journaling as a way of opportunities for people to reflect in a deeper way about their lives and what is significant for them along with the reflections from the poems and photographs there is space for people to journal each week and take time out in the natural world or city parks autobiography martin norman is a counsellor and outdoor instructor who believes passionately that god s love can be seen and experienced in the natural world and captured in writing and reflection to enhance and help restore people s lives he works as a therapist in a uk post abuse service and has a private counselling practice and has also written a book environmental therapy for therapists who work to help children and young people he has previously written poetry for the poetry church small press in the uk and lives in cornwall uk with his wife sue

lavish and fascinating presentation of the floral theme in american art a selection from diverse artistic and aesthetic camps 119 color reproductions 30 black and white form a magnificent collection with informative text

reflections and nature watercolors is a collection of margaret s spontaneous positive thoughts in celebrating and reflecting on life and her watercolors of nature the cover is graced with her watercolor tasman sea sunset ii

described as britain s greatest living nature writer richard mabey has revealed his passion for the natural world in eloquent stories for bbc wildlife magazine this volume features his favourite pieces and presents a fascinating and inspiring view of the changing natural landscape in which we live peppered throughout with references to the heritage of nature writing and great writers from richard jefferies and john clare to roger deakin and robert macfarlane a brush with nature is part memoir part nature journal part social history giving us a unique insight into a nature lover s reflections over a quarter of a century

this book initially was supposed to be a poetry book with a reflection on the appreciation of nature however when it all came together it wasn t so much poetry yet it was more portrayed as a meditative appreciation for nature some may make you smile some may make you laugh or have that aha moment it s like observing a painting when going to a gallery instead of using a brush i used my pen states the author that s the difference between a painter and a writer same concept different approach different tools i hope you enjoy the simple reflections reflections from a nature meditator will surely make a great companion to your summer days picnics or just whenever you need to spend time outdoors it s a motivational and inspirational book that will

move you to ponder on nature's beauty

Reflections on Nature is a major transitional writing style for Ms. Graham, accustomed to writing books in a genre based on Southern Fiction. Ms. Graham has ventured out of her comfort zone to explore and redefine her role as a transcendental author. Reflections on Nature is a creative view of exploring the good, the bad, and the ugly based on themes surrounding nature. Reflecting on nature itself is quite beautiful, but contrasted with the nature of man, it will stun and shock many. The natural relationship between God and Ms. Graham is evident through her creative prose and poetry. A must-read for anyone who yearns for a better understanding about life, themselves, and others.

From sea to sky, reflect on nature's infinite beauty every day of the year. Nature, in its majestic simplicity and diversity, has always stimulated our imagination. These 365 amazing images, accompanied by inspiring quotes from such luminaries as Flaubert and Kerouac, celebrate nature's boundless beauty. Each day of the year, go on a journey of inner peace by gazing upon photographs of awe-inspiring mountains, seascapes, forests, and fields, waterfalls, and starry night skies.
