an innovative beautifully written analysis of mary shelley s life and works which draws on unpublished archival material as well as frankenstein and examines her relationship with her husband and other key personalities

perhaps best recognized for the horror films it has spawned frankenstein written by 19 year old mary shelley was first published in 1818 frankenstein warns against the irresponsible use of science and technology and makes readers reconsider who the world s monsters really are and how society contributes to creating them ideal for research or general interest this resource furnishes students with a collection of the most insightful critical essays available on this gothic thriller selected from a variety of literary sources

seminar paper from the year 2006 in the subject english language and literature studies literature grade a university of massachusetts amherst english department course major british writers proseminar ii language english abstract mary wollstonecraft shelley is one of the major representatives of the romanticism movement of the late eighteenth and early nineteenth century in 1816 when shelley wrote her first and most popular work frankenstein or the modern prometheus the industrial revolution had just begun new inventions were made and the world as it was known changed rapidly in her novel shelley takes on the idea of the damage this quick and unfamiliar progress could do victor frankenstein the main character of the novel attempts to triumph over nature in that he tries to bring something inanimate to life he successfully creates a living being but the creature turns against his creator and destroys frankenstein s life the creature has no name and it is unclear whether it should be seen as a monster or as a human being in

frankenstein mary shelley contrasts the beauty and serenity of nature to the destroying powers that can be released when meddling with scientific progress her themes fit well into the ideas of the romantic poets she understands the importance of the state of childhood and also focuses on nature as a counterpart to the progress and destruction of industrialism and progress like her contemporaries she tries to further the idea of going back to nature and a childlike state of imagination instead of destroying lives by opposing the course of nature this paper discusses how nature childhood knowledge and progress work together and how shelley explores each of them in her novel

seminar paper from the year 2022 in the subject english language and literature studies grade 2 3 university of augsburg course myth in british literature language english abstract this paper explores how mary shelley s frankenstein uses the prometheus myth to engage with central romantic era themes particularly those of education family and scientific ambition the novel presents victor frankenstein as a modern prometheus whose pursuit of knowledge leads to tragic consequences through intertextual references especially to classical mythology enlightenment philosophy and literature like paradise lost shelley critiques the dangers of unchecked scientific progress and the moral failures of a creator who abandons his creation the analysis emphasizes the dual role of education for victor it becomes a source of hubris and isolation for the creature education fosters empathy self awareness and a tragic longing for acceptance similarly family is shown as a source of moral grounding victor benefits from a loving but emotionally distant family while the creature suffers due to total social and emotional abandonment shelley s narrative structure and interwoven myths highlight the importance of responsibility emotional education and belonging the paper concludes that frankenstein is a cautionary tale about ethical responsibility in science and society through her layered use of myth and romantic ideals mary shelley illustrates how both education and family can either nurture or destroy depending on how they are embraced or denied

this daring english mother and daughter pioneered the genre of life writing in the romantic period among the biographical works discussed in 15 essays by north american and australian scholars are wollstonecraft s vindication letters from norway and maria or the wrongs of a woman godwin s memoirs of wollstonecraft and shelley s frankenstein the last man ladore and rambles in germany and italy the capstone is a full length play by a leading canadian playwright interweaving their lives and literary themes includes illustrations of renaissance art seen by shelley d 1851 buss and her co editors are english professors at the u of calgary c book news inc

this long overdue reappraisal of mary wollstonecraft shelley s work convincingly challenges the commonly held view that she was merely a passive mouthpiece for her husband percy bysshe shelley for her father william godwin and for the radical milieu that surrounded her jane blumberg reexamines shelley s most challenging and ambitious novels the best known frankenstein the historical novel valperga and the last man a futuristic novel detailing the destruction of the world s population by plague in light of her premise that the actual driving force in shelley s writings was her fundamental intellectual conflict with the men in her life blumberg departs from traditional scholarship which has focused on the personal influences in shelley s fiction her father s emotional coldness difficult childbirth and postpartum depressions the difficulties of being a woman writer for example to show how these novels reflect both shelley s assertion of her intellectual and ideological independence and her gradual rejection of percy shelley s radical tenets blumberg also gives due attention to shelley s competent work as editor and in house critic of byron and percy shelley and provides a revisionist account of her role as her husband s literary executor giving her credit for her meticulous care in developing printed texts from the poems she edited directly from manuscripts

includes sections news and notes and books

maggie and caleb are married leaders of their people parents to their children and happier than they ever dreamed even with the visions they saw of it to prove it so the council is still rebelling against maggie s changes but this time it s different it s almost as if something or someone is behind them pulling the strings and making decisions for them and maggie is having strange visions that only she can see leaving caleb helpless to help her but when her visions start to warn her that their daughter ava will one day be in danger they ll do anything it takes to find out what s going on and how to stop it even paying a visit to a previous visionary maggie and caleb must find out who or what is behind it all and stop them before maggie is one vision too late
