mining newspaper accounts memoirs and government reports kurzman proposes that the collective agent most directly responsible for democratization was the emerging class of modern intellectuals a group that had gained a global identity and a near messianic sense of mission following the dreyfus affair of 1898

*in this startlingly counterintuitive book a leading authority on islamic movements demonstrates that terrorist groups are thoroughly marginal in the muslim world charles kurzman draws on government sources public opinion surveys election results and in depth interviews with muslims in the middle east and around the world finding that while young muslims are indeed angry at the west they are simply not attracted to terrorist methods this revised edition updated to include the self proclaimed islamic state concludes that fear of terrorism should be brought into alignment with the actual level of threat and that government policies and public opinion should be based on evidence rather than alarmist hyperbole*

*an examination of state building class conflicts revolutions and fear of revolutions from the english civil war of the 1640s to the invasion of iraq in 2003 and the great recession from 2003 sheds new light on key topics and events and offers a fully substantiated argument about the interplay of bourgeois liberty and proletarian democracy*

*this book sheds light on the history of political and religious globalisation in modern asia transcending both national and imperial boundaries while expanding the range of methodologies and sources brought to bear on studying asia s modernity it illuminates how ideas travelled across asia and how they changed in the process*

*the first truly global history of revolutions and revolutionary waves in the modern age from atlantic revolutions to arab spring*

shortlisted for the cundill history prize 2021 an economist and history today book of the year 2020 compelling and highly original the asia that we see today is the product of the underground which harper describes with skill and empathy in this monumental work rana mitter literary review the story of the hidden struggle waged by secret networks around the world to destroy european imperialism the end of europe s empires has so often been seen as a story of high politics and warfare in tim harper s remarkable new book the narrative is very different it shows how empires were fundamentally undermined from below using the new technology of cheap printing presses global travel and the widespread use of french and english young radicals from across asia were able to communicate in ways simply not available before these clandestine networks stretched to the heart of the imperial metropolises to london to paris to the americas but also increasingly to moscow they created a secret global

network which was for decades engaged in bitter fighting with imperial police forces they gathered in the great hubs of asia calcutta singapore batavia hanoi tokyo shanghai canton and hong kong and plotted with ceaseless ingenuity both through persuasion and terrorism the end of the colonial regimes many were caught and killed or imprisoned but others would go on to rule their newly independent countries drawing on an amazing array of new sources underground asia turns upside down our understanding of twentieth century empire the reader enters an extraordinary world of stowaways false identities secret codes cheap firearms assassinations and conspiracies as young asians made their own plans for their future magnificent it reads like a thriller and was difficult to put down peter frankopan history today
