introduction i have written a number of racing systems but this is the best one and i use this for most of my racing bets the key to this system is quality not quantity and looking for horses that tick all the four form variables lp or cr wd which i will explain later the system

also only looks for horses that are carrying 8 pounds or more in weight which normally means a class drop or the horse has to understand the system before placing bets i hope you enjoy it how the system works the system works for uk handicap and non handicap races but i tend to favour handicap races as the prices are larger i will concentrate only on handicap races in this book you will need access to the internet and the racing post website this is free racingpost com

this is a new release of the original 1945 edition
