no detailed description available for destiny s landfall

on the occasion of its 75th anniversary the american meteorological society engaged a number of eminent pioneers and leading practitioners to write about the fields they helped develop they were joined by several professional historians of science and

technology the resulting essays constitute a substantial sampling of what has been learned since 1919 in the atmospheric sciences and services in research in education and in the private sector this volume will be of interest to weather professionals and enthusiasts historians of science and to students of science and history it will help us calibrate where we are where we have been and where we might be going as a discipline hopefully it will inspire others to value the past and to dig into it more deeply such attention to history is a necessary step in the maturation of a scientific discipline

when the americans invaded the japanese controlled islands of saipan and tinian in 1944 civilians and combatants committed mass suicide to avoid being captured though these mass suicides have been mentioned in documentary films they have received scant scholarly attention this book draws on united states national archives documents and photographs as well as veteran and survivor testimonies to provide readers with a better understanding of what happened on the two islands and why the author details the experiences of the people of the islands from prehistoric times to the present with an emphasis on the japanese okinawan korean chamorro and carolinian civilians during invasion and occupation

h c c astwood minister and missionary diplomat and politician enigma in the annals of us history in dominican crossroads christina cecelia davidson explores astwood s extraordinary and complicated life and career born in 1844 in the british caribbean astwood later moved to reconstruction era new orleans where he became a republican activist and preacher in the african methodist episcopal ame church in 1882 he became the first black man named us consul to the dominican republic davidson tracks the challenges that astwood faced as a black politician in an era of rampant racism and ongoing cross border debates over black men s capacity for citizenship as a us representative and ame missionary astwood epitomized black masculine respectability but as davidson shows astwood became a duplicitous scheming figure who used deception and engaged in racist moral politics to command authority his methods davidson demonstrates show a bleaker side of black international politics and illustrate the varied contours of transnational moral discourse as people of all colors vied for power during the ongoing debate over black rights in santo domingo and beyond
