a riotously funny story about how not to be a good neighbor

the mole and the flower is the story of a plucky determined young mole and her quest to find the most beautiful flower heading off on an epic adventure to find him mole soon meets a grumpy aging bloom not used to visitors flower is surprised to cross paths with mole but when the weather takes a turn for the worst it s up to him to protect the little creature from the elements together the pair weather the storm to find that friendship can blossom no matter how old you are a generation defying story the mole and the flower asks children to not merely respect their elders but understand and admire them too after all just because someone has gotten older doesn t mean they have nothing left to give motivated to combat the issue of loneliness and purpose amongst the elderly author helen marshall was inspired to write this cross generational story taking inspiration from the natural world around her

this story will not only take the readers along a journey of discovery and learning but it will also provide an important underlying message that just because we may be in pain discomfort or tired we don t have to react badly or unkindly a kind word and acts of compassionate will most likely lead to a positive outcome and ease both our own and

other people s sufferings poor mole is in a dreadful state the sparrow thinks it s something he ate find out what happens when the kind sparrow takes a nap in poor moles favourite spot

mole s friends don t think much of his mound until a storm destroys their own homes and they realise it s the perfect shelter sometimes the best treasures are right beneath our feet scoop wiggle wiggle went the mole working on his great grand hole mole is on a mission to build an extraordinary shelter for him and his friends bird beaver and bee are jealous they find it insulting that anyone would choose to write a story about mole s mound especially when they could be writing about bird s impressive nest beaver s incredible lodge or bee s intricate hive one by one they rush to impress the audience with their own creations failing to notice a storm that is on its way when it finally arrives bird beaver and bee s houses are destroyed and they are forced to seek shelter inside mole s mound it becomes clear that this seemingly ordinary mound is much more extraordinary on the inside a brilliantly funny picture book with showcasing the importance of humility and the value of empathy
