this dynamic book provides powerful ideas to guide pedagogy and a curriculum model for helping students connect with issues in their lives while meeting standards vivid portraits of k 12 classrooms illustrate how teachers used a human rights

framework to engage students in critical inquiry of relevant social issues such as immigration rights religious tolerance racial equality countering the effects of poverty and respect for people with disabilities the book shows how a group of teachers worked together to develop a critical content framework using the un convention on the rights of the child chapters highlight lively classroom and community action projects

ever since he was a small child johnny l thompson strived to one day be famous and make his family proud but growing up in 1950s america as a black man that dream seemed impossible in my grandmother s son johnny illustrates what america was truly like for a black man in the 50s abiding by the jim crow laws and enduring prejudice and racism while generally being treated as less than johnny also examines the politics of that era and also of today with observations on how america can be better despite his many obstacles johnny has had a wonderful life a life that includes traveling the world with his daughter angela and being able to appreciate the small things join him on his incredible journey about the author my hobbies are travel and photography there is nothing in life more important than my family they are foremost in my mind i worked in the advertising field for 25 years retired from the u s postal service after serving 10 years at radio city post office in new york city

because we live here offers a new vision of post secondary writing programs using the example of the temple university writing program in philadelphia in successive chapters on temple s connections with schools community colleges and university community partnerships goldblatt calls for literacy instruction embedded in mutual relationships among an array of institutions and across many levels book jacket

let s face it weak rivets notwithstanding the titanic wouldn t have sunk if the iceberg had been spotted in time and let s face it the ccss won t be classroom worthy unless practitioners chart our course depend on michael smith deborah appleman and jeff wilhelm to help you navigate through some potentially treacherous waters uncommon core puts us on high alert about some outright dangerous misunderstandings looming around so called standards aligned instruction then shows us how to steer past them all in service of meeting the real intent of the common core smith appleman and wilhelm counter with teaching suggestions that are true to the research and true to our students including how reader based approaches can complement text based ones prereading activities can help students meet the strategic and conceptual demands texts

place on them strategy instruction can result in a careful and critical analysis of individual texts while providing transferable understandings inquiry units around essential questions can generate meaningful conversation and higher order thinking about those texts selection criteria that consider interpretive complexity can take us so much farther than those that consider textual complexity alone given the number of strategies lesson ideas and activities in the book uncommon core is really less about the standards and more about timeless excellent teaching and how to use it like never before to meet the core ideals let s put instruction where it belongs back in the hands of the experts finally a book with more light than heat on the issue of standards and their implications for learning grant wiggins coauthor of understanding by design

the first new casebook in more than ten years it contains twenty current cases that present real classroom dilemmas english teachers are likely to encounter in today s classroom the casebook is designed to help new and experienced english teachers become thoughtful and reflective practitioners who are well equipped to deal with complex and current problems a grades and issues matrix identifies each case according to middle or high school grade level and indicates the issue s on which they focus twenty current cases represent real teaching dilemmas with no easy solutions so teachers can benefit from thinking through the dilemmas and developing possible solutions and consequences with other teachers focus questions and discussion questions accompany each case for new and experienced english teachers
