this book examines new zealand s constitution through the lens of constitutional realism it looks at the practices habits conventions and norms of constitutional life it focuses on the structures processes and culture that govern the exercise of public power a perspective that is necessary to explore and account for a lived rather than textual constitution new zealand s constitution is unique one of three remaining unwritten democratic constitutions in the world it is characterised by a charming set of anachronistic contrasts unwritten but much found in various written sources built on a network of westminster constitutional conventions but generously tailored to local conditions proudly independent yet perhaps a purer westminster model than its british parent flexible and vulnerable while oddly enduring it looks to the centralised authority that comes with a strong executive strict parliamentary sovereignty and a unitary state however its populace insists on egalitarian values and representative democracy with elections fiercely conducted nowadays under a system of proportional representation the interests of indigenous maori are protected largely through democratic majority rule a reputation for upholding the rule of law
