reiki master and best selling author diane stein has been a dedicated hands on healer since
1988 stein believes strongly that this powerful healing art once a closely guarded secret
tradition should be accessible and available to all since she began teaching in 1990 stein has
initiated thousands of students in all three levels of reiki healing through these efforts she
developed a comprehensive teaching method that encompasses the fundamentals of this
ancient system the essential reiki teaching manual equips the reiki initiate with the practical
tools needed for launching a reiki healing practice leading a reiki workshop and becoming a
more effective reiki practitioner this hands on instructional guide together with the digitally re
mastered diane stein s essential reiki workshop dvd is the next best thing to a personal

teaching session with diane stein herself

reiki is an ancient and profoundly simple system of laying on of hands healing derived from tibetan buddhism in the west reiki has been kept highly secret for many years essential reiki presents full information on all three degrees of this healing system most of it in print for the first time teaching from the perspective that reiki healing belongs to all people diane stein breaks new ground in her classic guide to this ancient practice while no book can replace the directly received reiki attunements essential reiki provides everything else that the healer practitioner and teacher of this system needs

this volume deals with the transformation of unchurched religious creativity in the late modern west it analyzes the ways in which the advance of science globalization and individualism have fundamentally reshaped esoteric religious traditions from theosophy to the new age this publication has also been published in paperback [please click here for details](#)

legendary healer diane stein shares her extensive knowledge of gemstones in this concise agate to zircon reference each listing includes the stone s common name its corresponding color and chakra and a concise resume of its healing properties stein suggests ways to use stones to support physical and psychic well being by simply carrying one in a hand or pocket wearing it as jewelry or engaging in more advanced practices like the laying on of stones she also presents a glossary of terms designed for beginning students of metaphysical healing practices and teaches how to clear dedicate and maintain crystals to maximize their beneficial effects a quick reference to 550 gemstones and crystals including many that are new to the marketplace and their special healing properties and most helpful applications includes diagrams of the kundalini physical and hara line emotional chakra healing systems for simplified cross referencing with the stones diane stein s books have sold more than half a million copies and are available in six languages

this book straddles the nexus between spirituality christianity and self help to provide meaning and guidance along the path from birth to death structured as a conversation at the telescope during a night under the stars this book addresses questions like why are we here what is the point of life how do we handle relationships sexuality health issues christianity grief and all the challenges life provides what are some strategies to make it all easier beginning with an overarching exploration of the purpose of life the book takes the reader on an increasingly practical journey through the implications associated with this purpose finding one s calling understanding and following one s path the contract we make with the divine and recognizing

and avoiding the obstacles more concrete advice follows how to make a relationship work re defining a crisis managing conflict helpful spiritual practices to make things easier healing relationships sexuality parenting death and bereavement and a critical examination of both reiki and christianity round out a book whose purpose it is to help people make sense and success of life

we all want to know what will happen to the earth and to those who come after us our children and our grandchildren diane seeking an answer has gone to women visionaries and seers women who channel the future and those who bring it to life in their writings this is the time diane avers for women to define what needs to be changed and begin to do the work by women s power of thought and creation we together can make a better world

teenage allen maruyama internalized the hostility directed at japanese japanese americans subsequent to the pearl harbor attack he says he learned to hate himself and felt subhuman but presbyterians in his home state of colorado befriended him he proved himself as a student athlete and us army buck sergeant he graduated from mccormick theological seminary ma christian education and mdiv his mts is from dubuque seminary only when he earned a phd in theology from the aquinas institute of philosophy and theology did he feel emancipated no longer suffering from shame while living and working as a japanese american in white majority culture allen s nisei second generation experiences and his issho kenmei personality all in full throttle nonstop propelled him into centers of change and controversy in fields as diverse as social justice theology and cultural and church history dr allen maruyama is the first asian american to stand for the position of moderator of the general assembly of the presbyterian church usa

drawing on her experience and hard won insights following her husband s unexpected death tansley provides compassionate practical help to women

a time of departing is a revealing account of a universal spirituality that has infiltrated much of the church today the book exposes subtle strategies to compromise the gospel message with eastern mystical concepts cloaked under the wrappings of contemplative prayer and the silence

the journey through cancer is an essential guide for all cancer patients their families and their loved ones as a board certified oncologist with more than ten years of experience serving as physician guide mentor coach and friend to thousands of cancer patients and their families dr jeremy geffen has learned how cancer often challenges the mind heart and spirit of patients and their families as deeply if not more deeply than it challenges the physical body yet this

simple truth is often overlooked by western medicine as it aggressively pursues the best ways to diagnose and treat cancer too often physicians focus almost exclusively on the physical dimensions of the disease rather than caring for the whole person who has the disease dr geffen presents a groundbreaking seven level program used at his cancer center in florida that addresses every dimension of the person with cancer physical mental emotional and spiritual education and information giving patients answers to questions about their disease and their treatment options psychosocial support focusing on the need for and benefits of a strong support network the body as garden exploring the vast array of alternative and complementary therapies emotional healing helping patients and families deal with the often overwhelming emotional challenges of cancer the nature of mind exploring how patients thoughts and beliefs profoundly influence their journey life assessment showing patients how to discover their life s deepest meaning and purpose the nature of spirit connecting patients to the profoundly healing spiritual aspect of life we all share in the journeythrough cancer dr geffen presents a revolutionary model of healing based on the best treatments available from every culture and paradigm of medicine one that respects and explores every possible avenue and resource for healing and transformation blending east and west body and mind heart and technology science and spirit

a fundamental reference for anyone seeking a thorough overview of natural health practices patricia kaminsky and richard katz co directors flower essence society

oschman explores many disciplines to synthesize a perspective on the human body s potential for healing and physical performance he describes a high speed communication system that senses and responds to the energetic environment learning how to achieve more as a therapist or performer involves increases the cooperative interactions within this network that reaches all parts of the body and affects all systems

the first book on reiki written and published in ireland reiki at hand is also the first instruction book to cover the three levels of reiki laid out in a user friendly style making reiki accessible it contains all the guidelines as well as contra indications for using reiki workshop programmes are included for all three levels explains how reiki impacts on the spiritual mental emotional and physical aspects of life book jacket title summary field provided by blackwell north america inc all rights reserved

provides a guide to choosing clearing programming and dedicating gemstones and crystals and contains an extensive listing of gemstones

new globalized religions take two forms unlike new religions such as transcendental meditation the former unification church and the family which are just a few of the recent religions to form networks of essentially identical communities around the world the new age beliefs discussed in this volume have spread without the benefit of any organisation or unified culture and their more diffuse nature resists easy categorisation while some of the chapters in this publication consider aspects of the general nature of new age religion spiritual imperialism versus cultural diversity the overlap of globalisation and westernisation the sources of new age revelation and whether another age will follow the remaining chapters are case studies which examine particular new age beliefs including the healing movement the spiritualization of money and the ufo gnostic and goddess myths the book will appeal not only to scholars of the history of religions and sociology of religion but also to those with an interest in new age religious beliefs

the burgeoning popularity of alternative medicine has created a growing need for professionally trained practitioners this indispensable guide for prospective students is packed with resources schools and other educational opportunities in areas from chinese medicine and massage therapy to chiropractic and applied kinesiology

this resource lays the groundwork for a solid understanding of complementary and integrative therapy it provides insight into the historical context of alternative healing systems as well as the most up to date scientific research and clinical applications for integrative medicine focusing on therapies best supported by clinical trials and evidence it describes key concepts of the most prevalent complementary and alternative therapies in use today this edition features many new chapters and a new appendix with thorough updates and references throughout
