this book is not only about connection but also about discovery as an adult through my years of reading and research i became aware of the theories revolving around pangea pangaea the super continent existing over 300 million years ago that included africa and south america the theory is that it broke apart to form the americas the atlantic ocean as well as many islands if one looks at a globe or a map one would see that africa and south america fit together like a hand in a glove and if one believes the theory then these countries share a common ancestry so even though what became known as the middle passage separated the two continents the people undoubtedly retain the dna of those ancestors that creates a forever connection between what was and what is for this reason the picture of pangea on my book cover is exceedingly important
