this report was prepared at the order with funding from and in direct partnership with the look world foundation the open estonia foundation and the state chancellery

this work examines the construction of post soviet political space geopolitical discourses and boundaries in estonia making use of innovative methodological solutions such as q methodology its analysis includes in depth interviews that elucidate a variety of issues through human experience and subjective perception such as estonian russian border disputes of the 1990s inter ethnic issues and national integration and security as estonia is one of the frontline eu accession countries and is queuing for membership of nato the book raises broad questions of post soviet geopolitics in the baltic region and across europe indeed pami aalto argues that small states such as estonia should be understood as active participants in post soviet and european geopolitics and not simply pawns in a superpower environment

this encyclopedia is divided into three sections individual bilingualism bilingualism in society and bilingual education it includes many pictures graphs maps and diagrams the book concludes with a comprehensive bibliography on bilingualism

estonia and the estonians provides the first compendious survey in any language of estonian history from prehistoric times to the twenty first century estonia s strategic geopolitical location a crossroads where the major powers of northeastern europe have struggled for influence and the small number of ethnic estonians are crucial factors that have shaped the history of the area and its inhabitants the book emphasizes the period since the mid nineteenth century when a national movement calling for estonian cultural and political autonomy began to emerge during the two world wars estonia gained and lost political self determination yet a modern estonian culture was firmly established and a strong sense of national identity survived the soviet era

a comprehensive survey of estonian history placing recent events into historical perspective the author analyzes the country s post communist transition its strategic geopolitical location and the role of ethnic estonians in shaping the history of the area

first published in 1999 this book has its main emphasis on the consequences of privatisation for the russian population in estonia the book will attempt to answer the following questions by comparing the estonians and the russians the process of restoration of the republic of estonia which began to move fast in the late 1980 s and culminated with the declaration of national independence in 1991 is seen as an important political factor behind the economic reform in estonia this reform during the transition period is generally considered to be among the most successful in eastern europe
