sunday times bestseller if you think the uk isn t corrupt you haven t looked hard enough this terrifying book follows a global current of dirty money and the murders and kidnappings required to sustain it george monbiot guardian an economist and washington post book of the year 2020

this book explores how societies put the past to use and how in the process they represented it in short their historical culture it brings together anthropologists historians and literary scholars to address the means by which societies groups and individuals have engaged with the past and expressed their understanding of it the utility of the past has proven almost as infinitely variable as the modes of its representation it might be a matter of learning lessons from experience or about the legitimacy of a cause or regime or the reputation of an individual rival versions and interpretations reflected but also helped to create and sustain divergent communities and world views with so much at stake manipulations distortions and myths proliferated but given also that evidence of past societies was fragmentary fragile and fraught with difficulties for those who sought to make sense of it imaginative leaps and creativity necessarily came into the equation paradoxically the very idea that the past was indeed useful was generally bound up with an image of history as inherently truthful but then notions of truth proved malleable even within one society culture or period concerned with what engagements with the past can reveal about the wider intellectual and cultural frameworks they took place within this book is of relevance to anyone interested in how societies communities and individuals have acted on their historical consciousness

this publication provides an overview of the progress made by the arab region in recent years and decades in the area of sustainable energy management and universal energy access page 4 of cover
