René Descartes is arguably the most important seventeenth century thinker and the father of modern philosophy yet his unique method and its divergence from the method of his scholastic predecessors and contemporaries raises complex and often challenging issues. *Descartes: A Guide for the Perplexed* is a clear and thorough account of Descartes' philosophy, his major works and ideas, providing an ideal guide to the important and complex thought of this key philosopher. The book covers the whole range of Descartes' philosophical work, offering a thematic review of his thought together with detailed examination of the texts commonly encountered by students, including the *Discourse on Method* and *Meditations on First Philosophy*. This book provides a cogent and reliable survey of the philosophical trends and influences apparent in Descartes' thought.

Ecumenism: A Guide for the Perplexed is a comprehensive introduction to the methods, achievements and future prospects of the modern ecumenical movement. The authors begin the volume by charting out a serviceable definition of ecumenism, a term that has long been a source of confusion for students of theology and church history. They review the chronology of

the modern ecumenical movement and highlight the major events figures accomplishments and impasses this historical survey is followed by critical examinations of three significant challenges for contemporary ecumenical theology and practice along the way the authors provide commentary upon the difficulties and prospects that the ecumenical movement might anticipate as it enters this new millennium
