pedro juan used to be a reporter in havana but as life in cuba and his own life begin to collapse around him he gives up the farce of a daily job and begins to train himself to take nothing seriously his training involves lots of sex drugs rum jazz beat literature and street philosophy

for more than thirty years musician carlos varela has been a guide to the heart soul and sound of havana my havana is a lyrical exploration of varela s life and work and of the vibrant musical literary and cinematic culture of his generation

with the collapse of the soviet union in the 1990s during an economic crisis termed its special period in times of peace cuba began to court the capitalist world for the first time since its 1959 revolution with the u s dollar instated as domestic currency the

island seemed suddenly accessible to foreign consumers and their interest in its culture boomed. *Cuban Currency* is the first book to address the effects on Cuban literature of the country's spectacular opening to foreign markets that marked the end of the twentieth century. Based on interviews and archival research in Havana, Esther Whitfield argues that writers have both challenged and profited from new transnational markets for their work with far-reaching literary and ideological implications. Whitfield examines money and cross-cultural economic relations as they are inscribed in Cuban fiction, exploring the work of Zo Valds, Pedro Juan Gutiérrez, Antonio José Ponte, and others. She draws out writers' engagements with the troublesome commodification of Cuban identity, confronting the tourist and publishing industries' roles in the transformation of the Cuban revolution into commercial capital. Whitfield identifies a body of fiction peculiarly attuned to the material and political challenges of the special period. Esther Whitfield is assistant professor of comparative literature at Brown University.

Critical Perspectives on Caribbean Literature and Culture is a collection of a dozen essays by Caribbean scholars living in the Caribbean and around the world. Each of the three sections of the book explores the Caribbean as a diasporic space through the lenses of literary and cultural systems negotiating borders, women, sexuality, and identity. Examines the creolized identities of Caribbean societies, gender roles of women, impact of sexual tourism, and censorship of Latino gays and lesbians. The essayists in this section note that much work still needs to be done in academia to give voice to repressed Caribbean populations, creating spaces of Caribbean artistic expression. *Multiple Representations* focuses on how music, identity, art, and language depict the diversity of the Caribbean experience. In this section, the essayists examine how the process of creation extends to new cultural expressions, deconstructing the diaspora. *Caribbean Writers as Political Activists* takes into account the tension between oppressor and oppressed, a pressing issue for many Caribbean authors, and focuses on the role of writers in reconstructing Caribbean culture, politics, and history in pursuit of a more comprehensive West Indian view. This publication provides a novel perspective on Caribbean literary, cultural, and historical experience. The essays featured complement each other in their representation of the multiplicitous Caribbean region with all its claims and anxieties. They cover a wide range of writers and diverse cross-cultural encounters within the Caribbean region and reflect on issues such as Caribbean identity, migration, and artistic form of expression. This publication cuts across geographies, cultures, and disciplines, enriching Caribbean scholarship by recognizing the Caribbean's tradition of resistance and courage.

Cuban Studies is the preeminent journal for scholarly work on Cuba. Each volume includes articles in English and Spanish and a large book review section. In publication since 1970 and under Alejandro de la Fuente's editorial leadership since 2013, this
