a single mother has sheltered her son for many years at the private school where she works as an english teacher but she is beginning to unravel as secrets from her past catch up with her

harris bailly s story continues as he starts teaching in private schools and encounters good and bad teachers students and administrators gloria plays a major role in his romantic life his intellectual life grows as he becomes a wiser man

hard to handle is the second book in the teach me series but can be enjoyed as a full length standalone romance rc boldt s teach me series gives us a closer look at just how thin the line is between love and hate fifth grade social studies teacher laney kavanaugh is no stranger to being left behind her father taught her that at a young age that s why she always has her eyes wide open when it comes to men she s determined she will never again be the one left behind she doesn t let sex blur what they re really doing it s always just sex until zach zachariah mayson fifth grade writing and english teacher has been the bane of laney s existence from the moment they met at their shared elementary school she can t stand him he gets under her skin like no other and is always utterly obnoxious in his attempts and successes in getting a rise out of her until the wedding the night of their friends wedding laney gives in to a moment of melancholy knowing she ll never be able to

let her guard down enough to let a guy close let alone someday get married she and zach end up having the hottest night she d ever experienced showing her another side of him a softer sweeter one he d hidden from her until now because now he hoped she was finally ready to see him but when you ve always guarded yourself against falling in love can you let go of the past in order to embrace the future praise for hard to handle i never thought i would dig teachers but rc boldt just writes them in the kind of light i never pictured sweet sexy sassy fun this book thrilled me and melted me marie s tempting reads throughout this book i totally rooted for zach as laney was definitely a tough nut to crack the book ended just the way i was hoping for and of course i am now dying for the next one ever growing book obsession i recommend you grab this book and ride along with this amazing gang of friends finding their place in this game called life j j s southern spice blog

if you are a veteran teacher this story will make you laugh and cry and maybe stamp your feet as you curse all the idiots who turned your job into a drive up window for people who simply want things their way inspired by issues and practices in the real world of education this first volume back to school is your introduction to jane raggedfir a high school teacher who spent the last years of her career trying to hold back the waters of ignorance and save a troubled teen only to fail spectacularly thanks to all the hypocrisy and short sightedness that has too often turned public education into a fragmented fear based nightmare of self serving competition and back biting disrespect get ready to experience the non public side of public education as jane deals with the system and the system in turn deals with her likewise get ready to learn the secrets that the rest of the staff doesn t know about mrs raggedfir like the truth that she is anything but safe in the classroom and is in fact disabled in a way that no one else can ever fully understand please note this is volume 1 of a planned series while this first volume stands on its own as a humorous and painful example of what it s really like for teachers when a school year is about to get underway it is also intended as an invitation to readers to come back for the rest of the story as the next volumes are released volume 1 back to school covers prologue the edgepart 1 the dog days of augustpart 2 workshop week

ms coffee black a third grade teacher is considered an odd ball by one of her past students a future author victoria victoria had documented her third grade experiences in a diary that she won from her teacher s prize box the diary became one of the most precious possessions that victoria owned victoria now in the fourth grade is one of the most popular and trusted students in the school therefore it was no surprise when she was asked by the principal mrs sweet pie to be a buddy to a new third grade student mona victoria found it interesting that mona is a current student of ms coffee black to ensure that mona knew exactly what she s in for with ms coffee black victoria decided to loan mona her most prized possession her diary

last night i dreamt i was a teacher has colorful pictures and is written in an enjoyable rhythmic style this cheerful book follows a boy and girl as they teach children

their abcs have story time sing songs and go on field trips there are two activity pages at the end of the book to encourage further dialog between parent and child

coming home was the last thing she wanted to do when nicole emerson left home she figured it was for good happy with her busy life and her grueling schedule far away from caston she convinces herself everything at home is under control until it isn t and she has no choice but to return to her hometown stuck in a job she doesn t like and forced to make decisions she doesn t want to make nicole watches the future she dreamed of slip further and further from her grasp though regrets and missed opportunities haunt her at every turn she slowly learns to accept help from new friends and digs deep to find the self confidence that once came so easily while searching for her place in the town she couldn t wait to leave she starts to wonder if coming home might have been the answer all along coming home is the second book in the clean contemporary romance series by margaret standafer get to know ellie nicole and max as they navigate life s twists and turns forge lasting friendships and dare to give love a chance all while they brave a career none of them expected middle school teacher

this graphic novel is about pedagogy it is not a work of fiction rather this is a representation of the critical encounters between two teacher educators twelve pre service teachers and thirteen year 8 and year 9 secondary students as they consider what it means to learn to teach situated in a government high school over a one year period high school students were asked to take on the role of mentors to a cohort of primary and secondary pre service teachers as issues of teaching learning and curriculum assessment were explored the graphic novel is drawn from actual data fragments from journals letters emails photographs drawings and field notes from an ethnographic research project the reader is brought into a classroom and acquainted with the often tangled and fragmented nature of living pedagogy in this way the discourses of identity and power practices of schooling and the wonder of praxis are made visible and open to scrutiny it brings to life stories of learning to teach and learning to learn
