a developmental history of the african american struggle for autonomy and power discusses black slaves and white indentured servants

the black founding fathers the relationship between african americans and native americans and other issues

presents information on all aspects of african american life including politics employment and income education religion literature performing arts science and medicine and sports

topics pertinent to blacks and numerous individual entries are arranged alphabetically

blending a vivid narrative with more than 150 images of artwork painter offers a history from before slavery to today s hip hop culture written for a new generation

recounts the journey of the first generation of african americans stolen from a spanish slave ship and brought to jamestown in 1619 discussing their contributions to the establishment of the young colony and their efforts to purchase freedom and establish communities

pictorial survey by a black historian from early origins in africa through contemporary times including numerous rare drawings and photographs

the twenty three contributors to this volume show that despite racism black americans have independently developed their own cultural strengths which can help revitalize and support the black community the book is divided into four parts 1 the movement 2 racial exclusiveness and denial the results 3 black culture and 4 black action part i assesses the civil rights movement its successes and failures part ii provides new appraisals of old subjects which have undergone considerable change via the black revolution part iii proposes new means of viewing the vitality of african american culture part iv contains a number of polemic discussions and proposals of new strategies for black community organization and revitalization adapted from editorial review in eric 1970

this is a study of the history of ideas specifically ideas held by black americans it is the first intellectual history book to break with the standard interpretation of black thought that has dominated the field since the 1920 s and it is the first study to relate present day protest to the protest thought of the past essentially this book attempts to get behind the formal ideas to their origins in myth and social necessity it does not attempt to restate the pattern formal ideas of black thought have taken while this study does help to put some of the

formal ideas into new perspective the primary purpose of the book is to study myth itself its origin and its influence in structuring the patterns formal ideas have taken publisher

presidents and black america a documentary history is the first of its kind to document all of the presidents and their complex relationships with african americans from the earliest days of the republic through the start of the obama administration scholars and students will be able to follow trends and contradictions in those relationships such as acceptance and rejection of slavery the struggle for political rights and economic opportunity policies of tokenism the rebuff to affirmative action and the growth of black political power and influence this reference will incorporate primary and secondary documents ranging from speeches executive orders statutes and correspondence to articles and editorials from contemporary african american and mainstream publications political cartoons and congressional debates many of the documents will contradict established opinions about individual presidents for example it is fairly widely known that andrew johnson was an avowed white supremacist but less well known that woodrow wilson tried to segregate previously integrated government offices chapter introductions with historical data on the respective presidents and short headnotes place the documents in context

go deeper than the black history you may think you know black american history for dummies reveals the terrors and struggles and celebrates the triumphs of black americans this handy book goes way beyond what you may have studied in school digging into the complexities and the intrigues that make up black america from slavery and the civil rights movement to black wall street juneteenth redlining and black lives matter this book offers an accessible resource for understanding the facts and events critical to black history in america the history of black americans is the history of americans americans dance to black music read black literature watch black movies and whether they know it or not reap the benefits of the vibrant political athletic and sociological contributions of black americans with this book you can dive into history culture and beyond see how far there s yet to go in the approach to studying black american culture and ending racism get the authoritative story on the growth and evolution of black america from slavery reconstruction jim crow the civil rights era through to today discover the black artists musicians athletes and leaders who have made the united states what it is develop a fuller understanding of concerns about police brutality and other front and center race issues find out how every aspect of american life connects to black history black american history for dummies is for anyone who needs to learn or re learn the true history about black americans

a concise engaging and provocative history of african americans since world war ii peace be still is also nothing less than an alternate history of the united states in the twentieth and twenty first centuries organizing this history around culture politics and resistance matthew c whitaker takes us from world war ii as a galvanizing force for african american activism and the modern civil rights movement to the culmination of generations of struggle in the election of barack obama from the promise of the post world war ii era to the black power movement of the 1960s the economic and political struggles of the 1970s and the major ideological realignment of political culture during the 1980s 1990s and early 2000s this book chronicles a people fighting oppression while fashioning a dynamic culture of artistic and religious expression along with a program of educational and professional advancement a resurgence of rigid conservative right wing policies the politics of poverty racial profiling and police brutality are ongoing counterpoints to african americans rising to political prominence and securing positions once denied them a history of african americans for a new generation peace be still demonstrates how dramatically african american history illuminates the promise conflicts contradictions hopes and victories that all americans share

the black experience in america starting from its origins in western africa up to the present day is examined in this seminal study from a prominent african american figure the entire historical timeline of african americans is addressed from the colonial period through the civil rights upheavals of the 1960s and 1970s the most recent scholarship on the geographic social economic and cultural journeys of african americans together with vivid portraits of key black leaders complete this comprehensive reference

in the fall of 1968 during a time of intense protest and racial polarization a married pair of white journalists set out on a two year odyssey across america to document black americans telling their own stories from civil rights leaders to students musicians community organizers police officers hustlers teachers pastors activists and other everyday people chronicling their turbulent times in their own voices

provides information on seventeen black american women poets and dramatists

since the 1950s and the advance of urban renewal local governments and urban policy have focused heavily on the central business district however such development has all but ignored the inner city neighborhoods that continue to struggle in the shadows of high

rise america this analysis of urban neighborhoods in the united states from 1960 to 1995 presents fifteen essays by scholars of urban planning and development together they show how urban neighborhoods can and must be preserved as economic cultural and political centers
