no detailed description available for classification of kin age structure and marriage amongst the groote eylandt aborigines

this classic work on the winnebago indian tribe remains the single best authority on the subject based on paul radin s field work in 1908 13 the winnebago tribe was originally published as an

annual report of the bureau of american ethnology in 1923 it is distinguished by a number of first person accounts by winnebago informants and by the thoroughness with which radin discusses winnebago history archaeology material culture social customs education funeral and burial rites warfare and shamanistic and medical practices included are winnebago tales and legends and the first complete account of the peyote religion now known as the native american church

in the social life of the blackfoot indians clark wissler offers an in depth ethnographic study that examines the intricate social structures and cultural practices of the blackfoot people employing an observational and descriptive literary style wissler meticulously documents the customs rituals and community interactions that define blackfoot identity his work is framed within the broader context of early 20th century anthropology showcasing the transition from mere observation to a more nuanced understanding of indigenous lived experiences challenging prevailing stereotypes of native american cultures with rich detailed narratives that reveal a complex societal web clark wissler was a prominent anthropologist associated with the american museum of natural history dedicated to understanding indigenous cultures through immersive fieldwork his approach rooted in both a professional curiosity and cultural respect reflects his extensive training and experiences among various native tribes particularly in the great plains region wissler s commitment to preserving indigenous narratives was fueled by both academic and personal motivations to counteract the colonial narrative prevalent in his time this book is highly recommended for scholars students and anyone interested in native american studies or anthropology wissler s work not only captures the essence of blackfoot social life but also serves as a critical resource for understanding the broader implications of cultural preservation in the face of change in this enriched edition we have carefully created added value for your reading experience a succinct introduction situates the work s timeless appeal and themes the synopsis outlines the central plot highlighting key developments without spoiling critical twists a detailed historical context immerses you in the era s events and influences that shaped the writing a thorough analysis dissects symbols motifs and character arcs to unearth underlying meanings reflection questions prompt you to engage personally with the work s messages connecting them to modern life hand picked memorable quotes shine a spotlight on moments of literary brilliance interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read

she was both guardian of the hearth and on occasion ruler and warrior leading men into battle managing the affairs of her people sporting war paint as well as necklaces and earrings she is the native american woman she built houses and ground corn wove blankets and painted pottery played field hockey and rode racehorses frequently she enjoyed an open and joyous sexuality before marriage if her marriage didn t work out she could divorce her husband by the mere act of returning to her parents she mourned her dead by tearing her clothes and covering herself with ashes and when she herself died was often shrouded in her wedding dress she was our native sister the american indian woman and it is of her life and lore that carolyn niethammer writes in this rich tapestry of america s past and present here as it unfolded is the chronology of the native

american woman s life here are the birth rites of caddo women from the mississippi arkansas border who bore their children alone by the banks of rivers and then immersed themselves and their babies in river water here are apache puberty ceremonies that are still carried on today when the cost for the celebrations can run anywhere from one to six thousand dollars here are songs from the night dances of the sioux where girls clustered on one side of the lodge and boys congregated on the other here is the shawnee legend of the corn person and of our grandmother the two female deities who ruled the earth far from the submissive downtrodden squaw of popular myth the native american woman emerges as a proud sometimes stoic always human individual from whom those who came after can learn much at a time when many contemporary american women are seeking alternatives to a lifestyle and role they have outgrown daughters of the earth offers us an absorbing and illuminating legacy of dignity and purpose

all study of the origins of social institutions must be based on what ethnology can tell us of the psychology of the lower races and on the primitive conceptions of human relations which are thus established it is only in early modes of thought that we can find the explanation of ceremonies and systems which originated in primitive society and if ceremony and system are the concrete forms in which human relations are expressed an examination ethnological and psychological of human relations is indispensable for enquiry into human institutions

collection of texts made by alexander f chamberlain in 1891 and by franz boas in the summer of 1914

tom tit tot an essay on savage philosophy in folk tale by edward clodd first published in 1898 is a rare manuscript the original residing in one of the great libraries of the world this book is a reproduction of that original which has been scanned and cleaned by state of the art publishing tools for better readability and enhanced appreciation restoration editors mission is to bring long out of print manuscripts back to life some smudges annotations or unclear text may still exist due to permanent damage to the original work we believe the literary significance of the text justifies offering this reproduction allowing a new generation to appreciate it
