VII FAQs
 1 What is the difference between a structured semistructured and unstructured interview
Structured Uses a predetermined set of questions asked in a specific order Offers less flexibility
Semistructured Uses a guide with key themes and questions but allows for flexibility in exploring emerging issues
 Kvales approach leans towards semistructured

4 **Unstructured** Starts with a broad question and allows the conversation to flow naturally Offers maximum flexibility but can be challenging to analyze

2 **How do I ensure confidentiality in my interviews**
 Anonymize data by removing identifying information from transcripts Obtain informed consent from participants clearly explaining the purpose of the study the use of their data and their right to withdraw at any time Store data securely and adhere to ethical guidelines

3 **How can I deal with an interviewee who becomes emotional during the interview**
 Acknowledge their emotions with empathy and understanding Allow them time to compose themselves If necessary pause the interview or reschedule Prioritize their wellbeing

4 **How long should an interview last**
 The ideal length depends on the research questions and the interviewees comfort level Aim for a duration that allows for indepth exploration of themes without causing fatigue
 60-90 minutes is often a good starting point

5 **How do I know if my interview questions are effective**
 Review your questions after conducting a pilot interview Assess whether they elicited rich insightful responses If not revise your questions for clarity and effectiveness Analyze your data to see if the questions adequately addressed your research goals
