indigo children are bright intuitive strong willed and sometimes self destructive individuals they are often labeled and misdiagnosed as having add or adhd because they won't comply with established rules and patterns and they may exhibit behavioral problems at home and at school in the care and feeding of indigo children doreen virtue ph d explores the psyche of these special kids and offers alternative solutions to ritalin based on her extensive research and interviews with child care experts teachers parents and the indigo children themselves read the accounts of these remarkable children as they explain why they act out are aggressive or withdrawn and what they want from the adults in their lives you'll also be fascinated by the psychic experiences that these kids have had in their lives so far this is a groundbreaking book that can positively affect the ways in which you interact with your child altering the shape of their future in miraculous ways

the generation of indigos the bright intuitive strong willed children born from the mid 1970s on are now adults and they have fresh healing information to teach doreen virtue and her indigo son charles virtue co authors of the indigo angel oracle cards explain the indigos group purpose of bringing truth and integrity to our planet and show how this new energy is beneficial to us all you will learn how to harness the indigo intensity for positive healing purposes overcome fears related to leadership and being authentic superpower your life by hearing speaking and living your inner truth doreen and charles discuss how the new energy that the indigos have brought to our planet enables all of us to heal physically and emotionally at a faster rate whether you're an indigo yourself or a parent or caretaker of one this book will usher into your life new levels of understanding peace and purpose

crystal children reflect the new generation that has come to the earth plane after the indigo children they are approximately ages 0 through 5 although some

members of the first wave of crystal children are as old as 7 these children are like indigos highly psychic and sensitive but without the dark edge and the anger energy the term crystal children is already taking hold worldwide and people everywhere are talking about these special kids since doreen is the only researcher who is publicly giving speeches on the subject her audiences have been asking her for a book on the topic it's a natural sequel to her book the care and feeding of indigo children as babies crystal children may take longer than normal to begin talking they are highly telepathic and their tuned in mothers communicate with them nonverbally because they're so sensitive the crystal children babies may fuss and cry a lot in crowded places they're also very fond of nature doreen once watched one crystal child walk from tree to tree giving each one a big hug crystal children are beautiful inside and out like magnificent little high priests and priestesses one look in their eyes and you'll recognize divine love and wisdom their auras are bright radiant and opalescent they seem to glow from the inside they talk about past lives distant galaxies and profound insights concerning peace and love most crystal children's parents are aware that their kids are special and they're thrilled to be parenting such delightful children the book includes many interviews with crystal children their parents and teachers it discusses parenting and teaching methods that are essential to keeping these children happy and healthy and how to avoid pitfalls that could spoil their special gifts

by now tens of thousands of readers have enjoyed our book the indigo children the book not only stirred the interest of many people throughout the world with respect to the profound change in consciousness being manifest in these special kids but it also taught parents teachers and caregivers how to interact with these very special indigo children so what do you do with thousands of letters and comments from parents and others about their indigo experiences well you write another book an indigo celebration is a group of stories articles and additional insights into the indigo child phenomenon although we will undoubtedly be writing more academically oriented indigo books down the line we wanted to stop for a moment and celebrate these kids how they think how they act and what they're bringing to our lives this book is not only meant to entertain but also to inspire teach and provide meaningful insights indigo children are part of the positive transformation and shift of the new millennium and this celebration of them is one we hope you will share in

the new children come in all varieties indigo crystal octarines magenta star and there will be many more they all have one thing in common they live move and breathe in the reality of wholeness they show us a new harmony a tapestry of divine law any interruption in the way they process life with this harmonious flow and ebb of energy literally causes them to bounce off the walls there is need to understand the way their energy moves and functions so it may be used in a productive way this is a worldwide phenomenon new children of earth reveals 22 creation codes rhythms of consciousness belonging to the new children the way they move function maintain balance accelerate their development and most important the way they bring knowledge into wisdom and love to humanity this is break through information on how children are born with an expanded spirit of wholeness for the creation of a new reality this information helps parents and professionals deal with one of the most important issues of our times our children and their multi dimensional abilities presently the two dimensional way of teaching children is causing great confusion for them resulting in adhd and other psychological symptoms any interruption in the natural flow of information received transmitted and translated causes the children to literally climb the walls the souls coming to earth need us to help them activate these formless spiritual cycles of love to sustain their life's purpose codes the energy patterns of this new consciousness provides us with codes creation codes birthed in the new children in accordance with the love and harmony of universal law expanding and in harmony with all galaxies the coupling of polarity is bringing about a change in the way we engage with universal law impulse together the codes are called impulse which is the nature of this expanded system the movements of each code weave the vibrations pulses of sound and color as they flow in and out of the body each code can be done separately however when the codes are connected they form a tapestry with a specific order and sequence like a mandala the codes open up the phenomenon of the new children showing us how to understand and experience them using their way of learning to carry them forward the codes help us move our consciousness into the future and thereby apply to everyone they are diagnostic and or treatment tools the pulses emanate from the heart of one directly into the heart of all creating unity harmony and interconnectedness the properties of each code are presented

pictorially with 22 drawings which are done showing children gesturing making the information more understandable jean has three self published publications a new art of movement circle math cycles of love unfolding in the first year of life she is presently working a fifth book the diamond of education what kind of education would result if we learned in the way we are created and the latest book on the growing of a child these are all part of new children creation series this is a nonfiction manuscript a positive self help manual for parents and professionals who find themselves frustrated by children they do not always understand

since the 1980s people have been writing about the indigo children today many believe that nearly 80 percent of all children born are indigos these are exceedingly creative high energy perceptive kids who often don't fit in they seem to have an awareness that is light years beyond their age and quite often they are labeled as add adhd or odd when in actuality they are in the words of the dosicks simply children of spirit what sets this book apart from other books is that it approaches the issues facing indigos on a spiritual energetic rather than purely cognitive level and it is prescriptive teaching a specially developed set of games that can help heal indigo children both in their own bodies and in their earthly relationships here the dosicks name seventeen particular emotional wounds indigos hold in their bodies and give specific exercises for healing each one the games have proven enormously helpful to these often troubled kids even preteens and teenagers they celebrate the children's different ways of perception and calm their agitation the games involve some hands on healing techniques some scripted meditations and other quick and simple techniques each game takes no more than two minutes to play and this book features 101 black and white photographs showing parents exactly how to use the practices

a must for the parents of unusually bright and active children the indigo child is a boy or girl who displays a new and unusual set of psychological attributes revealing a pattern of behavior generally undocumented before this pattern has singularly unique factors that call for parents and teachers to change their treatment and upbringing of these kids to assist them in achieving balance and harmony in their lives and to help them avoid frustration in this groundbreaking book international authors and lecturers lee carroll and jan tober answer many of the often puzzling questions surrounding indigo children such as can we really be seeing human evolution in kids today are these kids smarter than we were at their age how come a lot of our children today seem to be system busters why are so many of our brightest kids being diagnosed with attention deficit disorder add are there proven working alternatives to ritalin throughout this work carroll and tober bring together some very fine minds doctors educators psychologists and more who shed light on the indigo child phenomenon these children are truly special representing a great percentage of all the kids being born today on a worldwide basis they come in knowing who they are so they must be recognized celebrated for their exceptional qualities and guided with love and care

the indigo child concept is a contemporary new age redefinition of self indigo children are described in their primary literature as a spiritually psychically and genetically advanced generation born from the early 1980s the indigo children are thought to be here to usher in a new golden age by changing the world's current social paradigm however as they are paradigm busters they also claim to find it difficult to fit into contemporary society indigo children recount difficult childhoods and school years and the concept has also been used by members of the community to reinterpret conditions such as attention deficit hyperactive disorder adhd and autism cynics however can claim that the indigo child concept is an example of special snowflake syndrome and parodies abound this book is the fullest introduction to the indigo child concept to date employing both on and offline ethnographic methods beth singler objectively considers the place of the indigo children in contemporary debates around religious identity self creation online participation conspiracy theories race and culture and definitions of the new age movement
