the longest of the stories in this book is short and the shortest is just one sentence long which means there are lots of stories a whole bookful to make you think  
laugh shiver and think again

each story has a positive message a learning experience and a happy ending

a collection of outstanding short fiction by more than sixty authors from the british commonwealth features the work of graham greene d h lawrence virginia woolf

nadine gordimer james joyce dylan thomas somerset maughan and others

short stories can be enjoyable entertaining as well as stimulating for the mind when short stories are read and discussed in a group session or a classroom they generate discussion open communication and various opinions amongst the group each story has its own moral lesson but each reader may discover that their ideas may differ vastly from what the writer intended short stories can be read in less than 10 minutes but the moral of the story can linger in the mind for a lifetime don t underestimate the power of short stories when you share a short story the listener may identify with aspects of the story and experience a moment of an emotional change your story can serve as a seed that will bring forth good fruit in its season

if you can t decide which new novel or nonfiction book to pick up here s another idea try reading a short story collection rather than focus on a singular narrative these unique options weave together the voices of several writers or focus on multiple stories by an author you know and love short stories are tiny windows into other worlds and other minds and other dreams they are journeys you can make to the far side of the universe and still be back in time for dinner
