sweet spot one third roulette strategy otrs an extensive exploration into roulette column or dozen betting very stable win loss ratio pro roulette players are using this mega powerful strategythe average roulette gambler plays in one of two main ways the first way involves betting on a random selection of 18 numbers just under half the wheel if playing on a single zero wheel and one off an even split if playing on a double zero wheel since there are x38 numbered pockets most bettors who take this approach tend to change some of their numbers on subsequent games sometimes players will bet less or more than 18 numbers generally more when they are not hitting numbers and less when they are hitting numbers this means their risk of losing more chips increases when they are not doing too well versus winning more when they are hitting numbers and losing less by covering fewer numbers the second way roulette gamblers approach the game is to choose x12 numbers just under one third of the wheel and they tend to stick to the same numbers when you really understand how roulette operates and apply a strategy that gels well with the concept of winning a big psychological burden is removed from the decision making process that being the what numbers factor thus what remains is the when to bet factor the focus of the strategy found in this book concentrates on knowing when to bet and by how much to bet this book explores these two important elements without which a strategy falls short in this book the author shows you how you can apply order to roulette games using the second way i e betting on x12 numbers and explains how his strategy works so you can stand a very good chance yielding a profit during a session of playing roulette games list of books titles by this author can be found here [amazon.com/stephen r tabone e b01coooed8](https://www.amazon.com/Stephen-R-Tabone/e/b01coooed8) contents introduction numbers in flux static chips why x12 numbers what x12 numbers should you choose too many combinations quick wagering the strategy in action key advantages of otrs betting progression tweak betting progression tweak overall stop loss when to use the betting progression tweak betting progression tweak session targetbetting progression tweak in game play stop loss betting progression tweak bet again trigger what if a zero hits within the betting progression tweak super advanced tweak seesaw in game play betting tweak sweet spot session starting indicator and matrix
