the groundbreaking new text for culturally competent social work practice in multicultural social work practice author derald wing sue one of the most prominent and respected pioneers in diversity research and practice explores and synthesizes the important theoretical political and philosophical concepts related to cultural competence in the field of social work this comprehensive yet practical text offers students definitive guidance on culturally sensitive social work practice this important new work challenges the reader to consider the different worldviews of a highly diversified population and achieve cultural competence through increased awareness knowledge and skills it provides specific definitions of multiculturalism cultural competence and multicultural social work that clearly guide discussion analysis and debate it also highlights the sociopolitical and social justice aspects of effective practice and closely examines how social work theories concepts and practices are often rooted in and reflective of the values of the dominant society multicultural social work practice features sections on conceptual dimensions of multicultural social work practice the political dimensions of social work practice racial cultural identity development social work implication the practice dimensions of multicultural social work systemic and ecological perspectives of multicultural social work profiles in culturally competent care for diverse populations in addition to the aforementioned coverage this innovative text features unique chapters on barriers to effective practice cultural styles in intervention strategies and indigenous healing strategies it also employs generous clinical and real life examples to illustrate important concepts a lively provocative guidebook that challenges traditional social work practice and featuring a foreword by monica mcgoldrick multicultural social work practice is a benchmark text for students of social work professional social workers and others in the helping professions

the handbook of international counseling is an effort to bring together the current practices values attitudes and beliefs about counseling from countries around the globe the editors have selected leading experts in the field of counseling in a wide and culturally representative group of countries hroughout the world this book will be the

first volume that undertakes such an ambitious goal in the field of counseling

in this breakthrough book three leaders in the field draw on their years of experience to formulate the first ever multicultural counseling theory after the authors presentation of their theory experts in specific areas of the field present their views on the proposed theory and comment on how it applies to their particular areas of expertise preceding each contributed essay the authors provide continuity to the text by conducting an assumption audit of the key points and ideas inherent in each respondent s chapter they then integrate these assumptions in a final chapter addressing the future of multicultural theory development

can a counselor s or client s culture affect the counseling process should counselors confine themselves to counseling only those from their own culture transcultural counselling in action offers a new approach to the counseling process that addresses the problems often posed by cultural differences drawing on examples from community groups liaison and advocacy workers mental health specialists and from professionals already working with other cultures this practical volume walks the counselor through the transcultural counseling process main themes are summarized the response of professionals to the process are evaluated and the implications for counseling in a multicultural society are addressed with so little literature existing on transcultural counseling this volume will serve as an essential guide to anyone working with groups or individuals from other cultures the book serves its purpose well in terms of both the transcultural issues highlighted and the handling of issues arising in the process of transcultural counseling contemporary psychology the fundamental assumptions made by the authors are evident throughout the book and highlight the need for the reader to question their personal stance on these issues this in itself is a useful exercise for the transcultural counsellor this book meets its aim of providing guidelines of good practice in counselling new community
