new testament times provides a short reconstruction of the cultural background in which christianity arose and developed from the time of the maccabean revolt to a d 138 the book begins with an explanation of the relevance of the historical political social and economic background during the first century which helps furnish a proper understanding of the new testament dr tenney takes into account all the possible historical sources canonical and non canonical literary and archaeological a survey of the world situation after the death of alexander the great includes a summary of the maccabean revolt crucial to the understanding of the messianic hopes of the jewish people dr tenney saw three cultural tensions playing upon the embryonic church judaism roman imperialism and hellenism the survey continues by tracing the growth of christianity under the roman emperors the birth of christ and the age of augustus christ s ministry during the reign of tiberius the rise of the church persecutions under nero and domitian the new era of christianity under trajan and hadrian new testament times provides the reader with the historical framework in which the christian

gospel is set and makes the biblical message speak clearly and meaningfully by placing it in the perspective of history included are 130 illustrations 3 original maps 6 helpful charts 4 exhaustive indices and a detailed bibliography

keener s commentary explores the jewish and greco roman settings of john more deeply than previous works paying special attention to social historical and rhetorical features of the gospel it cites about 4 000 different secondary sources and uses over 20 000 references from ancient literature

the current controversy over the bible s text and translations is creating confusing division within the ranks of fundamentalism a mass of misinformation fuels the debate scores of men realize the enormous errors being popularized but hesitate to engender further debate by speaking out the confusion however is now so pervasive within fundamentalism that the true biblical and historical facts on the text transmission and translations of scripture must be restated in layman s terms these facts argue eloquently for the unity not the division of god s people on these issues

a handbook discussing the books of the new testament against their first century background literary political social economic and religious

the bible presents a seemingly inconsistent teaching on financial stewardship this apparent confusion is reflected in sermons books and journal articles advocates abound for 1 tithing for 2 tithing plus giving for 3 no tithing but gracious giving church leaders clearly need money but how to convince the people in the pews to be faithful stewards of god with their finances remains allusive if they preach tithing some may balk at the old testament basis for the doctrine if they proclaim that tithing is a christian duty and a starting point only for genuine giving others may claim that they are new testament christians and live under grace not law if they present no definitive teaching about the bible and money adequate finances may not be given at the heart of the problem lies the need to clarify the biblical doctrine of financial stewardship this book attempts that goal the author investigates the tithing patterns of the old testament prior to the giving of the mosaic law and within the mosaic law with these matters clarified he then shines the light on intertestamental judaism and the passages in the gospels that mention tithing as part of the old testament economy a remarkable consistency is discovered at the level of biblical theology finally the new testament church giving patterns are thoroughly investigated beginning with the early jerusalem church and extending throughout the known world continuity and discontinuity appear continuity in biblical theology and discontinuity in custom and legal requirements between the old and new testaments the biblical doctrine of financial stewardship and the divine mandate for the christian become clear the last two chapters of the book transfer the biblical teaching to the 21st century american church scene theological and practical considerations are presented without trying to legislate solutions

have you ever wanted to be stronger more vibrant as a believer have you ever felt the church is weak when it should be strong have you ever felt that rampant evil should be shut down do you believe change is possible in the world in the church in you joshua experienced a bad start in life forty years in slavery he wandered a desert for another forty years yet it was in and from these experiences that he discovered the believer s strength he escaped slavery and went on to shut evil down and conquer the promised land if we want to conquer the world for god we must allow god first to conquer us being joshua shows how god uses the circumstances of life to change us into who he wants us to be in life s slavery and wanderings joshua teaches us how to synapse with god s spirit joshua teaches us that god is doing something we are a part of it but it is bigger than us joshua teaches us how to view life within the purposes of god and gain victory over our circumstances and ultimately ourselves joshua shows us that the weakest and the strongest believers need to encourage themselves and be strong he reminds us pertinent to our times that we must also encourage each other joshua learned this from the old testament scriptures taught in a godly family life a community of believers and a personal walk of faith in god his education was by words and examples in real daily life this book is written from a pastoral and practical perspective

in recent years there has been rise in popularity and visibility of the debate about the last things preterists and futurists have published books articles and even movies promoting their respective views this debate has elevated the interest of the christian public in eschatological issues along with the increased interest in eschatology there has been a rise in popularity of the preterist view which holds that most or all of the prophecies about christÓs coming have already been fulfilledÑthat the Òsecond comingÓ took place in 70 ad most of the discussion from those who espouse the preterist view however revolves around certain passages in the new testament and their treatment of old testament passages is sporadic and selective the importance of the book of daniel in these discussions cannot be overstated however most commentaries on daniel from a futurist perspective have not dealt with the preteristsÓ interpretations of the key prophetic passages there simply is no detailed commentary on the book of daniel that addresses the preterist interpretations of this important book this book is a commentary on the entire book of daniel from a futurist perspective that specifically addresses the preterist interpretations of the key prophetic passages this is not a book that selects passages out of the context of the book and attempts to explain their prophetic significance rather this is a commentary on the entire book of daniel that places these critical prophetic passages in their literary and historical context and then deals with the various interpretations of these passages as they fit into the context of the book as a whole

in spite of persecution and waning in some areas of the world christianity in africa has continued to grow yet alongside the flourishing of the church comes challenges of syncretism and pluralism in this ninth volume from the annual conference of the africa society of evangelical theology contributors explore the african christian s understanding of church through contextual

ecclesiology these african theologians address irrefutable realities for the african church while covering an extensive range of topics such as the priesthood of all believers the functions and ministries of church in society and church growth strategies presenting ecclesiology through the lenses of scriptural examinations historical theology systematic examinations and practical theology these essays work together to build a contemporary understanding of the burgeoning church in africa through african voices

this book decent aid an introduction to ethics in philanthropy by david mutemwa is a tour de force in the realm of philanthropic ethics research as it invites scholars practitioners and policymakers alike to engage in thoughtful dialogue on the ethical imperatives that should guide philanthropic strategies in developing regions particularly in africa at its apex it contributes toward making aid provision an ethical matter as the author proposes a model for ethical evaluation of philanthropic strategies from an interdisciplinary perspective comprising social work common law and practical theology br br besides its significance in the current field of discourse and research this book also exposes the global influence on african regions exerted through some so called international charitable or non governmental organizations ngos the author employs a combination of western theories and methodological approaches and traditional african philosophy making it possible to understand the ethical dimensions of philanthropy both in an african context and from a western perspective this will help charitable organizations to avoid implementing strategies that could be unethical from the local perspective a critical aspect for both local communities and international organizations as it guides them in the best practices to adopt while implementing their projects in african contexts

presents biographical facts theological development scholarly contribution and personal evaluation of thirty five contemporary evangelical bible interpreters

keener s commentary explores the jewish and greco roman settings of john more deeply than previous works paying special attention to social historical and rhetorical features of the gospel it cites about 4 000 different secondary sources and uses over 20 000 references from ancient literature publisher
