the sound of light is a sweeping overview of the history of gospel music powerful and incisive it traces contemporary christianity and christian music to the 16th century and the protestant reformation after examining music in the bible and early church music from the psalms of the early puritans through the hymns of human composure of isaac watts and the social activism of the wesleys gospel music was established in 18th century america with the camp meeting songs of the kentucky revival the spirituals that came from the slave culture and the hymns from the great revival after the civil war gospel music advanced through the 19th century the 20th century brought recording technology and electronic media to the table gospel music has developed with christian revivals and the history of american gospel music is the history of christianity in america gospel music reflects the american spirit of freedom and the free market as a christian culture emerges in the 20th century providing a spiritual as well as economic foundation the sound of light presents gospel music as part of the history of contemporary christianity it is a work broad in scope that defines a music essential to understanding american culture as well as american music in the 20th century don cusic is the author of ten books including the biography eddy arnold i ll hold you in my heart and an encyclopedia of cowboys cowboys and the wild west an a z guide from the chisholm trail to the silver screen he joined the faculty at middle tennessee state university in 1982 teaching courses in the music business he earned a masters and doctorate in literature from mtsu since august of 1994 cusic has been professor of music business at belmont university

most observers believe that gospel music has been sung in african american churches since their organization in the late 1800s yet nothing could be further from the truth as michael w harris s history of gospel blues reveals tracing the rise of gospel blues as seen through the career of its founding figure thomas andrew dorsey harris tells the story of the most prominent person in the advent of gospel blues also known as georgia tom dorsey had considerable success in the 1920s as a pianist composer and arranger for prominent blues singers including ma rainey in the 1930s he became involved in chicago s african american old line protestant churches where his background in the blues greatly influenced his composing and singing following much controversy during the 1930s and the eventual overwhelming response that dorsey s new form of music received the gospel blues became a major force in african american churches and religion his more than 400 gospel songs and recent grammy award indicate that he is still today the most prolific composer publisher in the movement delving into the life of the central figure of gospel blues harris illuminates not only the evolution of this popular musical form but also the thought and social forces that forged the culture in which this music was shaped

first published in 2005 routledge is an imprint of taylor francis an informa company
