the best business books are brief clear and pertinent monday morning leadership fits all of those requirements you can read the whole book in a few minutes and think about and apply what you learned for a lifetime the format is around a man who s struggling as a manager his operation isn t performing well his boss isn t happy he s not happy he doesn t have time to be with his family or to do what he likes to do it looks like his career has peaked and his job may be in jeopardy what to do

everyone who wants a fulfilling career needs a mentor someone who has seen it all before someone who can share hard won experiences and teach valuable lessons in this expanded and enhanced version of his best selling book monday morning leadership david cottrell packs all of the wisdom of his wide ranging business experience into this inspirational story cottrell introduces us to jeff a successful corporate manager who has hit a major wall jeff has been leading his team quarter after quarter to great sales and better profits for several years until now the tricks that used to work wonders have lost their magic jeff is in a slump and is at a loss to find his way out of it overworked stressed and feeling that his personal and professional lives are at risk jeff reaches out to the father of a college buddy a retired and tremendously accomplished former executive named tony tony and jeff agree to meet every monday for ten weeks to work through jeff s problems and get his career back on track in the course of these intimate sessions jeff discovers the secrets of real leadership until i accept total responsibility no matter what i will not be able to put plans in place to accomplish my goals and my success is the result of making better choices and recovering quickly from poor choices tony leads jeff through tough lessons in how to manage his people how to manage his own time how to manage his superiors and how to escape from management land most of all jeff learns that his success is intimately bound with the success of his people and that tolerating lackluster performance in himself and others on the team only leads to discontent from his most prized and productive employees through jeff s mentoring sessions the reader meets a character of integrity who dispenses homespun but effective wisdom spend time with tony and jeff at their monday morning meetings and you will find yourself on the road to becoming a better leader and being more successful at work

the context of business has been changing for companies in recent years and following numerous corporate and accounting scandals many countries have increased the number of national and international regulations designed to ensure transparency and compliance with the law because of the existence of these new regulations the level of control the severity of sanctions by governments and the amount of the fines for noncompliance have

increased dramatically in parallel with the technological revolution in communications business management has become more transparent and any negative event is uploaded to social networks and shared with an indeterminate number of people this change in the regulatory sanctioning and technological context has forced large companies to rethink risks investments and budgets to deal in this more complex environment to transition to this change some companies have included ethics and compliance programs in their corporate agenda along with marketing and sales plans strategies growth targets investment plans and or talent acquisition while each industry has its particular risks in this book the author describes the essential elements that any effective ethics and compliance program should contain this book is a source of information that connects yesterday with today the author shares observations and lessons of the past to suggest corporate leaders implement effective ethics and compliance programs to protect their organizations and themselves the book covers theories of ethics but with an eye focused on practical application risks ethics and compliance are analyzed with an overall vision connected to the reality of business life without getting bogged down in abstract thinking or in technical and regulatory details ethics and compliance are disciplines that have increasingly achieved greater recognition in organizations thus due to the importance of risk management in the business world and the necessary involvement of the ceo and the board of directors it seems appropriate that executives get access to a book about risks ethics compliance and human resources directed not only to compliance experts but also to any organizational leader this book is a wake up call that allows business leaders to understand the benefits of implementing an effective ethics and compliance program that will help members of organizations to make the right decisions and act within the law if they do they can better prevent and react to the difficult obstacle course of risks dangers and threats that organizations face and that may jeopardize the sustainability resilience and survival of companies
