this novel about nigeria prophesied the 1983 coup

chinua achebe is africa s most prominent writer the author of things fall apart the best known and best selling novel ever to come out of africa his fiction and poetry burn with a passionate commitment to political justice bringing to life not only africa s troubled encounters with europe but also the dark side of contemporary african political life now in home and exile achebe reveals the man behind his powerful work here is an extended exploration of the european impact on african culture viewed through the most vivid experience available to the

author his own life it is an extended snapshot of a major writer's childhood illuminating his roots as an artist. Achebe discusses his English education and the relationship between colonial writers and the European literary tradition. He argues that if colonial writers try to imitate and indeed go one better than the empire, they run the danger of undervaluing their homeland and their own people. Achebe contends that to redress the inequities of global oppression, writers must focus on where they come from, insisting that their value systems are as legitimate as any other. Stories are a real source of power in the world, he concludes, and to imitate the literature of another culture is to give that power away. *Home and Exile* is a moving account of an exceptional life. Achebe reveals the inner workings of the human conscience through the predicament of Africa and his own intellectual life. It is a story of the triumph of mind told in the words of one of this century's most gifted writers.

From the legendary author of *Things Fall Apart* comes this long awaited memoir recalling Chinua Achebe's personal experiences of and reflections on the Biafran War, one of Nigeria's most tragic civil wars. Chinua Achebe, the author of *Things Fall Apart*, was a writer whose moral courage and storytelling gifts have left an enduring stamp on world literature. *There Was a Country* is his long awaited account of coming of age during the defining experience of his life, the Nigerian Civil War, also known as the Biafran War of 1967-1970. It became infamous around the world for its impact on the Biafrans who were starved to death by the Nigerian government in one of the twentieth century's greatest humanitarian disasters. Caught up in the atrocities were Chinua Achebe and his young family. Achebe, already a world renowned novelist, served his Biafran homeland as a roving cultural ambassador, witnessing the war's full horror first hand. Immediately after the war, he took an academic post in the United States and for over forty years he maintained a considered silence on those terrible years, addressing them only obliquely through his poetry. After years in the making, *There Was a Country* presents his towering reckoning with one of modern Africa's most fateful experiences, both as he lived it and came to understand it, marrying history and memoir with the author's poetry woven throughout. *There Was a Country* is a distillation of vivid observation and considered research and reflection. It relates Nigeria's birth pangs in the context of Achebe's own development as a man and a writer, and examines the role of the artist in times of war. No writer is better placed than Chinua Achebe to tell the story of the Nigerian Biafran War. The book makes you pine for the likes of Achebe to govern. We have in *There Was a Country* an elegy from a master storyteller who has witnessed the undulating fortunes of a nation. *Noo Saro Wiwa*, guardian of Chinua Achebe's history of Biafra, is a meditation on the condition of freedom. It has the tense narrative grip of the best fiction. It is also a revelatory entry into the intimate character of the writer's brilliant mind and bold spirit. Achebe has created here a new

genre of literature nadine gordimer part history part memoir achebe's moving account of the war is laced with anger but there is also an abiding tone of regret for what nigeria might have been without conflict and mismanagement sunday times about the author chinua achebe was born in nigeria in 1930 he published novels short stories essays and children's books his volume of poetry christmas in biafra was the joint winner of the first commonwealth poetry prize of his novels arrow of god won the new statesman jock campbell award and anthills of the savannah was a finalist for the 1987 booker prize things fall apart achebe's masterpiece has been published in fifty different languages and has sold more than ten million copies achebe lectured widely receiving many honors from around the world he was the recipient of the nigerian national merit award nigeria's highest award for intellectual achievement in 2007 he won the man booker international prize he died in 2013

things fall apart is a 1958 english language novel by nigerian author chinua achebe it is a staple book in schools throughout africa and widely read and studied in english speaking countries around the world it is seen as the archetypal modern african novel in english and one of the first african novels written in english to receive global critical acclaim the novel depicts the life of okonkwo a leader and local wrestling champion in umuofia one of a fictional group of nine villages in nigeria inhabited by the igbo people okonkwo is a wealthy and respected member of the umuofia clan of the ibo people of nigeria in the late 1800s okonkwo seems to have everything he has broken away from the weakness and disgrace of his father and is now a successful farmer with three wives and a position of leadership in his community however okonkwo has difficulty controlling his temper and one outburst of violence leads to his family's banishment from their village for seven years but that's only the beginning of things falling apart for okonkwo while he's away from his village christian missionaries from europe arrive bringing their own ideas about religion and life to the ibo people when okonkwo finally returns will his

village be a place he can recognize or will the missionaries have imposed on it a new culture beyond his understanding special considerations possible sensitive issues in things fall apart include violence adult themes and racism

achebe is the man who invented african literature because he was able to show in the structure and language of things fall apart that the future of african writing did not lie in simple imitation of european forms but in the fusion of such forms with oral traditions says professor simon gikandi of the university of michigan ann arbor this biography of chinua achebe captures how his personal characteristics have combined with historical events to produce the man who cleared the frontiers of literature for africa north america indiana u press nigeria hebn

annotation a very funny very disturbing fiction about political corruption in the new nigeria

this compendium of 37 essays provides global perspectives of achebe as an artist with a proper sense of history and an imaginative writer with an inviolable sense of cultural mission and political commitment

with over eight million copies in print chinua achebe s work is perhaps the best known novel in african literature no other book so powerfully illuminates the african experience driven by ambition okonkwo works tirelessly to gain prosperity and prestige in his village but he is harsh as well as diligent as he sees the traditions of his people eroded by white missionaries and government officials he lashes out in anger things fall apart traces the growing friction between village leaders and europeans determined to save the heathen souls of africa its hero a noble man who is driven by destructive forces speaks a universal language

by the renowned author of things fall apart this novel foreshadows the nigerian coups of 1966 and shows the color and vivacity as well as the violence and corruption of a society making its own way between the two worlds in the landscape of western africa two political traditions collide the old bush politians against the new intellectual generation and a mentor and his protege must wage the war achebe details one society s struggle with the inner turmoil created in the wake of the new found freedom from the colonial order this is a story about national identity and political unity

set in the ibo heartland of eastern nigeria one of africa s best known writers describes the conflict between old and new in its most poignant aspect the personal struggle between father and son

set in the ibo heartland of eastern nigeria one of africa s best known writers describes the conflict between old and new in its most poignant aspect the personal struggle between father and son the third book in achebe s african trilogy following things fall apart and no longer at ease arrow of god is the story of ezeulu the chief priest of several villages who wrestles with colonial powers as he butts heads with christian missionaries dispatched to the area a fictional discussion of colonial rule in 1920 s nigeria achebe brings religion and family relations into a discussion of politics and national identity

the pieces here span reflections on personal and collective identity on home and family on literature language and politics and on achebe s lifelong attempt to reclaim the definition of africa for its own authorship for the first thirty years of his life before nigeria s independence in 1960 achebe was officially defined as a british protected person in the education of a british protected child he gives us a vivid ironic and delicately nuanced portrait of growing up in colonial nigeria and inhabiting its middle ground interrogating both his happy memories of reading english adventure stories in secondary school and also the harsher truths of colonial rule

a true classic of world literature a masterpiece that has inspired generations of writers in nigeria across africa and around the world barack obama african literature is incomplete and unthinkable without the works of chinua achebe toni morrison nominated as one of america s best loved novels by pbs s the great american read things fall apart is the first of three novels in chinua achebe s critically acclaimed african trilogy it is a classic narrative about africa s cataclysmic encounter with europe as it establishes a colonial presence on the continent told through the fictional experiences of okonkwo a wealthy and fearless igbo warrior of umuofia in the late 1800s things fall apart explores one man s futile resistance to the devaluing of his igbo traditions by british political and religious forces and his despair as his community capitulates to the powerful new order with more than 20 million copies sold and translated into fifty seven languages things fall apart provides one of the most illuminating and permanent monuments to african experience achebe does not only capture life in a pre colonial african village he conveys the tragedy of the loss of that world while broadening our understanding of our contemporary realities
