this book examines the violent cruel and brutal plagiarism of what has been adopted as the norm the knowledge of ancient africa has been plagiarized to place other cultures in a superior state this plagiarism has developed a system of morality hidden behind allegories and symbols we will present our argument backing it with researched information the fight for liberation of the minds bodies spirits and souls is remains in place to give our children a better life

presenting fresh and important insights into racialist spirituality and the social control of unconventional religions in america the nuwaubian nation follows the extraordinary career of dwight york who in his teens started out in a new york street gang but converted to islam in prison emerging as a black messiah york proceeded to break the paleman s spell of kingu and to guide his people through a series of racial religious identities that demanded dramatic changes in costume gender roles and lifestyle referring to theories in the sociology of deviance and media studies the author tracks the escalating hostilities against the group that climaxed in a waco style fbi raid on the nuwaubian compound in 2002

in esotericism in african american religious experience there is a mystery stephen c finley margarita simon guillory and hugh r page jr assemble twenty groundbreaking

essays that provide a rationale and parameters for africana esoteric studies a new trans disciplinary enterprise focused on the investigation of esoteric lore and practices in africa and the african diaspora the goals of this new field while akin to those of religious studies africana studies and western esoteric studies are focused on the impulses that give rise to africana esoteric traditions aets and the ways in which they can be understood as loci where issues such as race ethnicity and identity are engaged and in which identity embodiment resistance and meaning are negotiated

this book examines the contemporary operational and theoretical parameters of pan africanism and black nationalism in the post civil rights era it uses the nuwaubian movement as a case study to explore this essential strand in african diasporan history culture and tradition the author argues that the nuwaubian nation like their contemporaries such as the nation of islam represents contemporary efforts of african descendants to dialectically and culturally fight oppression he argues that unlike the classical back to africa movements the contemporary ones do not seek to primarily relocate to africa but to go to africa culturally and bring back africa to the diaspora this effort can be seen in the nuwaubian attempts at unearthing and importing classical african traditions mores and values in their in their various communities across the united states especially in eatonton georgia their aim was to chart an identity for their adherents and inspire racial pride for people of african descent
