in the beginning before thread before the dragons before the holds and the weyrs and the elite dragonriders of Pern was just the great ships gliding through space with nearly six thousand colonists prepared to tackle the mighty task of beginning a new world on a strange planet it was a jewel of a planet with rivers and seas and mountains and breathable air and growing things then came the terror the strange unidentifiable circles in the grass suddenly revealed a meaning and every living thing was at risk many died a horrible and consuming death all resources every man woman and child had to fight the terrible nightmare of thread but a new creature was about to save the planet from the delicate fire lizards a new life was born a new symbiosis between man and beast

the unicorn girl must rescue her beloved and defeat a dreaded alien menace in this action packed conclusion to the fantasy space opera series beloved by millions of readers anne mccaffrey is one of science fiction's favorite authors writing with award winning author elizabeth ann scarborough she has created the bestselling acorna series focusing on the adventures of the brave unicorn girl with acorna's triumph they turn to the dramatic conclusion of the series as acorna faces her most difficult challenge ever she has defeated slavers a deadly international conspiracy and the vicious alien khleevi only to endure the loss of her beloved aari distant in both time and space now finally aari has returned and together they can finish rebuilding their home world but aari is oddly changed to the point where he barely remembers acorna much less their love and his actions grow more and more sinister as acorna tries to stop a vicious criminal from destroying innocents a new complication arises sensing the linyaari weakness the deadly khleevi return determined to take back the planet for good in this dark time it will take all the unicorn girl's courage and determination to rescue aari and stop the alien menace once and for all praise for acorna's triumph mccaffrey and scarborough's finale to the

charming acorna saga will please the two authors many fans and lovers of horses and cats generally a fitting coda to the series both acorna and aari and their creators can ride off into the starlight with clear consciences publishers weekly this coda to mccaffrey s popular series packs plenty of action into 320 pages booklist i would recommend this as great read for anyone that is interested in time travel and fantasy anne mccaffrey and elizabeth scarborough have not only hit a home run but cleared the bases with this novel sfrevu

james a owen continues to take readers on a journey through the fantastical world of beloved fantasy where dragons are real and dreams and nightmares come true john and jack two of the caretakers of the imaginarium geographica have discovered a plea for help on an ancient medieval parchment it is not only addressed to them but seems to have been written by their friend hugo dyson yet before they can discover the origin of the strange book hugo walks through a door in time and vanishes into the past and just like that the world begins to change the only hope to restore the proper order of things lies in a forgotten island at the edge of the archipelago where a time travel device left by jules verne must be used to race through history itself from the bronze age to ancient alexandria and the founding of the silver throne but even if all of the legendary caretakers from past and present are able to answer the oldest mystery in the world and save hugo darker forces may still be gathering against them and a greater crisis may be at hand together with a new enemy the imperial cartological society the shadow king may be unstoppable the only hope may in the grail child rose dyson and her companions desperate quest to find the only weapon capable of defeating their enemies and the spear the broken sword caliburn with page turning action and a great twist this story is a classic among classics a volume to be treasured and gifted to those we love

like the druidic life force jack taps this hearty adventure as personal as it is epic will cradle readers in the hollow of its hand booklist starred review jack has caused an earthquake he was trying to save his sister lucy from being thrown down a well but sometimes the magic doesn t quite work out not only does jack demolish a monastery but lucy is carried off by the lady of the lake and jack has to follow her through the hollow road which lies underground aided by pega a slave and the berserker thorgil jack encounters hobgoblins kelpies yarhkins and elves not the enchanted sprites one would expect but fallen angels who steal human children for pets in the eighth century the world is caught between belief in the old gods and christianity and what jack and his companions do will decide the fate of both religions from national book award winner nancy farmer this second book in the sea of trolls trilogy brilliantly enlarges the world of the first story look for the conclusion in the islands of the blessed
