we may be in the universe as dogs and cats are in our libraries seeing the books and hearing the conversation but having no inkling of the meaning of it all

thousands of years ago on the central asian steppes an amazing symbiosis occurred between horse and man this blending of two extremely dissimilar species would have far reaching consequences for world history but what drew men and horses to join forces who were the first people to approach horses for what reason who had the improbable idea of mounting a horse and guiding it from a position on its back and what environmental pressure made this imperative to do so in this adventure we ll witness the origins of horsemanship and how horses empowered humans riding with the cimmericians and the scythians we will discover how horsemanship upset the power balances of nations history as told from horseback will give you new insights about the past and a special appreciation for the role of the horse in molding today s world

young hero joshua crosses encounters untold dangers evil and his own destiny as he journeys through time on an odyssey that will lead him from the thames river to ancient greece and into a confrontation with the man who had destroyed his father and who is now targeting joshua
