en 2019 40 ans après la première élection des membres du parlement européen au suffrage universel direct en 1979 les citoyens de l union étaient une neuvième fois appelés aux urnes entre ces deux dates le parlement européen a profondément changé passant d une simple assemblée consultative au colégislateur de droit commun d une union européenne en proie à de nombreuses crises les contributions au présent ouvrage tirées des travaux d un colloque international qui s est tenu à l université de bordeaux les 9 et 10 mai 2019 entendent dresser le bilan les enjeux et les perspectives tant des élections européennes de 2019 que de la démocratie représentative européenne de façon globale in 2019 40 years after the first election of members of the european parliament by direct universal suffrage in 1979 the citizens of the union were called to the polls for the ninth time between these two dates the european parliament changed dramatically from a mere consultative assembly to the ordinary co legislator of a european union plagued by many crises this book draws on an international conference held at the university of bordeaux on may 9 and 10 2019 the various contributions therein intend to take stock examine the challenges and envisage the prospects not only of the 2019 european elections but also of representative european democracy in general

discover the various scientific debates that mario telò has been involved this edited volume which has been drafted in honour of professor telò s research career offers the reader an overview of the various scientific debates that he has been involved in throughout his distinguished career the aim was to highlight contextualise and build on his most innovative contributions to each of these debates this book revolves around four thematic areas each of which brings together a number of contributions that offer timely reflections on a given question or challenge covered by professor telò s research extract we wanted to have a personality of international calibre espousing different political systems across the world but we also wanted to bring a good teacher into the fold filling students with enthusiasm able to lead them to develop their study projects to establish their vocation as researchers and even to train personalities active in every day life in fact to promote a european conscientiousness we know that mario telò has perfectly fulfilled these many wishes in particular through his commitments towards his colleagues as well as his very active role as member and president of the institut d études européennes institute of european studies iee ulb but also through the support that he has given numerous researchers who have completed brilliant doctoral theses under his supervision it is difficult to pay him tribute however as mario telò has engaged in and still engages in multiple

and international academic activities we have lost count of the number of foreign invitations that have been extended to him as well as his numerous speeches to defend and to explain the need for a european area mario telò knows better than anyone that european values still need to be defended that european studies cover several aspects not just the political integration process in europe but also the analysis of the behaviour of actors decision makers and citizens we know that the eu acquis is often temporary and several times the work has to be redone as the difficulties of functioning with twenty eight member states and soon to be twenty seven member states show the european union does not always respond to the democratic deficit the political integration approach needs to show the usefulness and expected benefits of european cooperation essential to its existence in a very tense global context the energy of mario telò his creativity his international engagement his academic openness will always be essential to the ulb a member of the académie royale de belgique royal academy of belgium in the classe des lettres et des sciences morales et politiques section of letters and moral and political sciences mario telò will always find the opportunity to express his analyses and proposals to get through the currently very troubled time of europe s and the world s evolution
