sacred violence in early america offers a sweeping reinterpretation of the violence endemic to seventeenth century english colonization by reexamining some of the key moments of cultural and religious encounter in north america susan juster explores different forms of sacred violence blood sacrifice holy war malediction and iconoclasm to uncover how european traditions of ritual violence developed during the wars of the reformation were introduced and ultimately transformed in the new world juster s central argument concerns the rethinking of the relationship between the material and the spiritual worlds that began with the reformation and reached perhaps its fullest expression on the margins of empire the reformation transformed the christian landscape from an environment rich in sounds smells images and tactile encounters both divine and human to an austere space of scriptural contemplation and prayer when english colonists encountered the gods and rituals of the new world they were forced to confront the unresolved tensions between the material and spiritual within their own religious practice accounts of native cannibalism for instance prompted uneasy comparisons with the ongoing debate among reformers about whether christ was bodily present in the communion wafer sacred violence in early america reveals the old world antecedents of the burning of native bodies and texts during the seventeenth century wars of extermination the prosecution of heretics and blasphemers in colonial courts and the destruction of chapels and mission towns up and down the north american seaboard at the heart of the book is an analysis of theologies of violence that gave conceptual and emotional shape to english colonists efforts to construct a new world sanctuary in the face of enemies both familiar and strange blood sacrifice sacramentalism legal and philosophical notions of just and holy war malediction the contest between living and dead images in christian ideology and iconoclasm

in 1972 will campbell published an issue of the committee of southern churchmen s journal *katallagete* to shed light on the us prison system none could anticipate how the system would expand exponentially in the next four decades today the us operates the world s largest prison system incarcerating nearly 1 in every 100 american adults how did this expansion happen what is the human toll of this retributive system how might ambassadors of reconciliation respond to such a punitive institution replicating the firsthand nature of will campbell s original *katallagete* collection twenty new essays pull back the veil on today s prison industrial complex the plea throughout this collection is not for some better more progressive institution to exact justice rather the invitation is to hear from voices of experience

how the system functions listen to what the institution does to those locked in its cells consider what an execution involves and most importantly contemplate the scandalous call to be in reconciled community with those whom society discards and the system silences our story is that there are neither good nor bad people neither felon nor free world we are all one

at age 52 while in the privacy of her own home nancy rector had a twenty plus man swat team break her door down with a battering ram and was arrested in front of her daughter and 5 year old granddaughter and taken away to jail in handcuffs her crime purchasing a single order of pain medication online without a prescription she ended up a convicted felon for doing nothing more than trying to survive an incredibly painful debilitating chronic illness for which no doctor would diagnose nor treat her as she had no insurance this is her detailed story of what happened to her and how and why it can happen to anyone we live in a country where freedom individual rights and justice are held to be of extreme importance a country on the cutting edge of science medicine and technology where the common social mantra is we re number one it is also the only industrialized nation in the world that does not provide healthcare for its sick and dying in fact preditorial capitalism has made any type of healthcare option out of reach for millions of its citizens this in combination of an overburdened legal system places its citizens in circumstances where justice decency and humanity are lacking if not absence altogether

this book provides a comprehensive investigation of the political dimensions of civil religion in the united states by employing an original social psychological theory rooted in semiotics it offers a qualitative and quantitative empirical examination of more than fifty years of political rhetoric further it presents two in depth case studies that examine how the cultural totemic sign of the founding fathers and the signs of america s sacred texts the constitution and the declaration of independence are used in attempts to link partisan policy positions with notions that the country collectively holds sacred the book s overarching thesis is that america s civil religion serves as a discursive framework for the country s politics of the sacred mediating the demands of particularistic interests and social solidarity through the interaction of social belief and institutional politics like elections and the supreme court the book penetrates america s unique political religiosity to reveal and unravel the intricate ways in which politics political institutions religion and culture intertwine in the united states

this title was first published in 2002 perspectives on civil religion introduces the concept of civil religion examines the use of the concept in recent scholarship and investigates examples of civil religion in the contemporary world the book sets out to explore tensions and complexities in the relationship between the sacred and the secular and draws on two major case studies for in depth illustration of key issues it looks first at the development of rituals of remembrance from the american civil war british and american responses to the two world wars and the controversial vietnam veterans memorial in washington it then considers civil religion in the italian city of siena especially in relation to the palio of siena and sienese devotion to the virgin the five textbooks and reader that make up the religion today open university ashgate series are from sacred text to internet religion and social transformations perspectives on civil religion global religious movements in regional context belief beyond boundaries religion today a reader
