useful as a supplemental text in advanced theories and practicum courses this fourth edition discusses the key concepts and techniques from many contemporary theories and how to develop an integrative approach to the counseling process to better meet individual client needs dr corey introduces the techniques that he draws from in his own integrative approach to counseling using a wide variety of case examples with diverse clients topics covered include assessing presenting issues developing a productive working alliance establishing therapeutic goals understanding and addressing diversity working with resistant clients using evidence based practice in cognitive emotive and behavioral work with clients dealing with transference and countertransference and incorporating trends in integrative therapies to encourage active learning reflective exercises throughout the text provide readers with opportunities to put themselves in the role of therapist and client no one knows more about theory based counseling than gerald corey who has spent the past 50 years helping us to gain real insight into multiple models in this book corey takes readers from forming a working alliance with clients through the processes for setting and achieving goals his skill at and understanding of the termination processes is worth the entire book not only will the art of integrative counseling be the core text for counseling process and skills courses it will provide the foundation for effective truly integrated

counseling throughout one's career James Robert Bitter Edd East Tennessee State University Gerald Corey's fourth edition of *The Art of Integrative Counseling* provides important concepts to consider when developing an integrative approach to working with clients for beginning counselors. It demonstrates how one can be integrative whether one is behaviorally, cognitively, or affectively oriented. For more advanced counselors, it reminds them of the wealth of information that all theories offer and how techniques or theories can be synthesized into a more effective approach. Whether you are a new counselor trying to figure out how to integrate the many theories you learned about or a seasoned professional seeking new ways of working with clients, this book has something for you. Gerald Corey's *Reflections* is an absolute delight. Each chapter is packed with nuggets of wisdom he has gained over the decades. What makes the book particularly engaging is that it invites us into Corey's inner world and we feel as though we are reading a series of letters from a friend. This book could serve as an excellent supplemental reading in an introductory course or as a useful resource for advanced students as they navigate the complexities of graduate school and look ahead to their careers. Barbara Herlihy PhD University of Texas at San Antonio In this inspirational book, Gerald Corey shares his most heartfelt personal reflections and lessons learned as he describes his journey over a 60-year counseling career. He is honest, self-disclosing, humble, and insightful in this compendium that encourages readers to embrace their vision and entertain their dreams. This is a must-read gem that provides an opportunity for counseling students and young professionals to learn from the master. Robert Haynes PhD Psychologist and author Borderline Productions In an easy-to-read question-and-answer format, Dr. Corey provides sage insight on a broad range of topics concerning professional issues, career development, the counseling process, and work-life balance. Responding to an array of questions often asked by students over the years, he uses candid personal examples to highlight key lessons and engage readers in an active process of personal and professional self-reflection on their own journeys. Topical question themes include creating your professional path, mentoring and being a mentee, surviving graduate school, benefiting from personal therapy, focusing on self-care and wellness, becoming an ethical counselor, managing value conflicts in counseling, using self-disclosure therapeutically, dealing with difficult clients, getting the most out of supervision, and becoming a writer. In each chapter, reflection questions encourage readers to consider their own views and experiences related to the questions raised, and recommended readings provide suggestions for further information.
