with compassion and compelling insight the pleiadians those system busting time travelers from the future take us on a journey through the uncharted lands of the book of earth which comprises all human experience while our world goes belly up in these most absurd of times they offer us tools for survival during the crucial period between 1987 and 2012 a nanosecond in the annals of existence where secrets and solutions are stored we have the unique opportunity to move from the deepest of density to the highest of frequencies where we shift from linear to multi dimensional living to make this transition we must face not only the limitations of our 3 d world with its electronic manipulation and mind control we must embrace our own wounds and those of our ancestors and our leaders to heal ourselves to raise our frequency from one of despair and fear to one of great inspiration and love the pleiadians urge us to rethink and reevaluate our lives you shall change you will change you must change because this is the season of change

compiled from more than four hundred hours of channeling by barbara marciniak bringers of the dawn imparts to us the wisdom of the pleiadians a group of enlightened beings who have come to earth to help us discover how to reach a new stage of evolution master storytellers and humorists they advise us to become media free to work in teams and to eliminate the words should and try from our vocabularies we learn how to go beyond fear how the original human was a magnificent being with twelve strands of dna and twelve chakra centers and who our gods are startling intense intelligent and controversial these teachings offer essential reading for anyone questioning their existence on this planet and the direction of our

collective conscious and unconscious by remembering that we are family of light that we share an ancient ancestry with the universe around us we become bringers of the dawn consciously creating a new reality a new earth

the pleiadians a collective of multidimensional beings from the pleiades star system have been speaking through barbara marciniak since 1988 this long awaited book shares new inspiration from over nine years of previously unpublished pleiadian wisdom

embraced worldwide as key spiritual teachers of our times the pleiadians are back with another bold and controversial look at our highest purpose on earth earth pleiadian keys to the living library is their handbook to inspired living calling on us to restore and return value to the human being and to recognize the goddess energies and the power of blood as connections to our dna and our heritage using wit wisdom and deep compassion they entice us to explore the corridors of time through the concept of the game masters to awaken the crucial codes for multidimensional perspective and to redream the living library of earth their teachings are significantly arranged in twelve chapters to trigger a deeper understanding of our ancestral lineage earth probes the memories hidden deep within us to reveal our crucial roles in the transformational process unfolding in our times

introduction by the pleiadians we call ourselves pleiadians and by way of an introduction let us say that we are journeyers through time and multiple dimensions we are a curious group intent upon exploring the nooks and crannies of existence traipsing over cosmic hill and dale in search of answers to the majestic mysteries of life all of existence is a vast web of energy and there are seemingly endless and dazzling directions connections events and entertaining diversions to explore however at present we are most earnestly focused on a specific place and time earth from the year 1987 through 2012 and after it appears that during this period this location safeguards the probability of a triumphant achievement where for a short while some of the majestic mysteries of life are realized and revealed we are here to observe and participate in the greatness of this event our perspectives are multidimensional in range and scope for we are a wondrous collective of conscious energies who are intentionally expanding our beliefs about the nature of existence throughout many points in time the heavens are filled with life and in our search for knowledge and greater understanding of who we are our journey has led us to you earth is currently experiencing a tumultuous transformation of consciousness the likes of which you have no recorded historical precedent for yet within the corridors of human cellular memory many images stir with a hint of strange familiarity you are deeply immersed in a time of critical change humanity is poised at the threshold of a new understanding of cosmic power naturally many of us wonder what you will do with this knowledge in other epochs of time the nature of this power has been misunderstood and subsequently misused inevitably leading the way to your self destruction nevertheless the immense cycles of living and seasons of learning continue to patiently offer the same lessons for while life may appear to be destroyed consciousness is ever enduring and only changed in form humanity is

rapidly approaching the edge of the great cosmic cliffs of consciousness what you do now the choices you make will determine a course of experience more complex and astounding than you can currently imagine the dawning of a new revolution in consciousness is at hand you cannot escape the necessity to manage this power now or ever in light of our adventurous spirit we are here to share our perspectives on your rapidly changing lives and to offer our support as well as a few timely suggestions on managing the massively accelerated energies that silently stir your planet the pleiadians

the origins of pleiadian knowledge can be traced back to ancient civilisations that sought to understand the cosmos and their place within it the pleiadians often regarded as a highly evolved extraterrestrial race have been instrumental in guiding humanity through various epochs of spiritual awakening their teachings encompass a wide array of subjects including healing personal growth and the interconnectedness of all life forms as humanity evolves the relevance of this knowledge becomes increasingly apparent providing tools and insights for navigating the complexities of modern existence

the pleiadian emissaries of light provide this fascinating chronicle of human spiritual evolution from a galactic perspective this wider history of our solar system restores the long forgotten connection of humankind with venus mars maldek and earth the truth about our ancient past is uncovered helping us to remember the experiences that have caused us to function dualistically and guiding us toward karmic wholeness as unified and divine beings

the pleiadian workbook is a direct transmission from the pleiadian emissaries of light light beings from the pleiades who say it s time now for spiritual growth ascension and healing through amorah quan yin we are taught to open our ka channels which pull energy from our multidimensional holographic selves into our physical bodies these galactic healing techniques align us with our divine selves raise our vibratory rates and rejuvenate and balance our bodies while accelerating spiritual evolution and stimulating emotional healing

whether you call them gods angels ets or aliens sufficient proof now exists that beings more advanced than humans have influenced our history evidence suggests that these outsiders shaped our religions genes technology and cultures in fact they may have provided the impetus for modern civilization paul von ward investigates why modern science and religion refuse to address the possibility that humans interact with advanced beings abs he reviews sacred texts myths and legends from the old testament hebrew texts and the vedas to the greek myths sumerian tablets and other historical sources to make the link between religions their gods and alien intervention he shows how this history of ab intervention has been suppressed and challenges readers to reexamine the origins of notions like divine revelation to find common ground among the world s cultures and

religions previously published as god genes and consciousness
