this volume analyzes the political economy of the successes and failures of the agricultural reform programs in sub saharan africa it shows that in almost all cases reforms lead to a supply response but their sustainability in face of shocks depend on the consensus about the reform and the subsequent rent distribution

the ethiopian fine coffees trademark initiative provides the basis to examine related uses of intellectual property rights iprs as a powerful potential tool for development lessons learned in this case study suggest similar benefits could be garnered for other african agricultural products that fulfill registry requirements exercising iprs to identify and protect creativity offer boundless possibilities for africa that have yet to be galvanized

this volume xi of the african development perspectives yearbook on africa escaping the primary commodities dilemma presents and analyses policy oriented papers development projections and proposals of how to overcome african countries dependence on few primary commodities the relevance of the issue to escape the primary commodity trap and to diversify into new products and markets is without doubt one of the major challenges for african countries in the era of globalisation and increasing international competition it has however become much more difficult for african countries to diversify into new products and processes and to enter

new niche markets successfully this volume xi of the yearbook discusses the state of primary commodity dependence of african countries by analytical surveys based on examples of countries sectors and products options for horizontal and vertical diversification are analysed by detailed case studies and supply and demand side constraints for suc

african regional trade integration has grown exponentially in the last decade this book is the first comprehensive analysis of the legal framework within which it is being pursued it will fill a huge knowledge gap and serve as an invaluable teaching and research tool for policy makers in the public and private sectors teachers researchers and students of african trade and beyond the author argues that african regional trade agreements rtas are best understood as flexible legal regimes particularly given their commitment to variable geometry and multiple memberships he analyzes the progress made toward trade liberalization in each region how the rtas are financed their trade remedy and judicial regimes and how well they measure up to article xxiv of gatt the book also covers monetary unions as well as intra african regional integration and examines free trade agreements with non african regions including the economic partnership agreements with the european union

how celebrity strategic partnerships are disrupting humanitarian space can a celebrity be a disrupter promoting strategic partnerships to bring new ideas and funding to revitalize the development field or are celebrities just charismatic ambassadors for big business examining the role of the rich and famous in development and humanitarianism batman saves the congo argues that celebrities do both and that understanding why and how yields insight into the realities of neoliberal development in 2010 entertainer ben affleck known for his superhero performance as batman launched the eastern congo initiative to bring a new approach to the region s development this case study is central to batman saves the congo affleck s organization operates with special access diversified funding and significant support of elites within political philanthropic development and humanitarian circuits this sets it apart from other development organizations with his convening power affleck has built partnerships with those inside and outside development staking bipartisan political ground that is neither charity nor aid but good business such visible and recognizable celebrity humanitarians are occupying the public domain yet not engaging meaningfully with any public argues batman saves the congo they are an unruly bunch of new players in development who amplify business solutions as elite political participants celebrities shape development practices through strategic partnerships that are both an innovative way to raise awareness and funding for neglected causes and a troubling trend of unaccountable elite leadership in north south relations batman saves the congo helps illuminate the power of celebritized business solutions and the development contexts they create
