if you want to learn how to read tarot cards then this book is for you many people have incorrectly categorized tarot card reading along with other occult fortune telling techniques such as ouija boards crystal

balls palm readings tea leaves and so forth however this could not be further from the truth tarot is a divination system that is used to reveal possible outcomes and influences in someone's life or particular situation and readings are most helpful if used as a platform of guidance to help inform whether or not a person is on the right path or should change course for example a tarot reading could give you a glimpse of events to assist in seeing whether there is impending danger or if you are on a path to self destruction therefore although tarot card readings don't reveal specifically what's in store for the future they can certainly help to open your eyes and make more informed decisions for those wanting to learn how to read tarot cards this book serves as a fantastic starting point let's begin

attention major update i've added more information to this book including symbols and colors in the tarot cards and five sample layouts along with interpretations i initially wanted to keep the book very basic and to not get real complicated however i realize there are some readers that want to become more immersed in the tarot cards so i felt i would provide more in depth details now you will find chapters on colors in the tarot and symbols in tarot cards i personally don't use them in my readings but maybe many of you will want to i also listened to the readers who were kind enough to write reviews and it seemed as though some were disappointed because there were no examples of layouts in the book so i took some pictures of five layouts and explained them the best i could unfortunately they are printed in black and white since color would have tripled the cost of the book sorry please remember i'm not a professional photographer so they might look amateurish that's because they are original description are you confused frustrated and or fed up with so many tarot card books that have long explanations and meanings and then reversed meanings as you are attempting to learn how to read your tarot cards so was i way back in 1975 when i first delved into the world of tarot cards then in 1983 i went to a reader and was fascinated by her interpretations of the cards they were different from all the meanings i had seen in other books i attended her exclusive invitation only class and learned her way i decided to take those lessons and gather them together the result is this little book that is power packed with information no fluff no illustrations and no long winded explanations it's a unique blend of esoteric tarot meanings combined with astrology and numerology i've included a few lessons on astrology in the event you aren't familiar with the zodiac the included numerology explanation is fairly simple katie

the world of tarot works not through pronouncements of doom and gloom made with assurances set in stone but with skill and subtlety employing feelings and emotions to listen to the message as any practitioner will tell you the future isn't a contract chiseled in concrete but rather a wish scribbled in beach sand just before high tide tarot isn't used to predict one's future rather it helps guide you in smaller yet more meaningful ways for example instead of telling you exactly where your life will be ten years from now the cards can help you get where you want to be ten years from now simply through pointing out the helpful and hindering forces mindsets and habits with which you currently surround yourself the symbols and stories behind each card in a deck force introspection and contemplation upon you making you examine the reality of your current situation and what changes need to be made they push you to relate situations and deeper circumstances from your life along mentally drawn parallels within the cards but how can you learn to read and interpret the cards so that you can fully understand and even divulge to others what the world of tarot is trying to reveal that's exactly what this book is going to show you let's get started
